King Abdullah Britain And The Making Of Jordan Cambridge Middle East Library:

King Abdullah, Britain and the Making of Jordan Mary Christina Wilson, 1987 King Abdullah played an active role in the partition of Palestine and as a result has always been viewed as one of the most controversial figures in modern Middle East history This book is the first in depth study of the historical and personal circumstances that made him so Born in Mecca in 1882 of a family that traced its lineage to the Prophet Muhammad Abdullah belonged to the Ottoman ruling elite He grew up in Istanbul and returned to Mecca when his father was appointed Sharif in 1908 During the First World War he earned nationalist credentials as a leader of the Arab revolt against the Ottoman Empire Owing to his alliance with Britain in the revolt he emerged afterwards as a contender for power in a Middle East now dominated by Britain Despite grandiose ambitions Abdullah ended up as Britain's client in the mandated territory of Transjordan His dependence on Britain was exacerbated by his situation in Transjordan an artificial creation with no significant cities no natural resources and little meaning beyond its importance to British strategy Within the constraints of British interests it was left to Abdullah to make something of his position and he spent the remainder of his life looking beyond Transjordan's borders for a role a clientele or a stable balance of interests which would allow him a future independent of British fortunes He found all three after 1948 when in conjunction with the creation of Israel he came to rule the portion of Palestine known as the West Bank

IslamKotob, **Making the Modern Middle East** T. G. Fraser, Andrew Mango, Robert McNamara, 2014-07-15 A century ago as World War I got underway the Middle East was dominated as it had been for centuries by the Ottoman Empire But by 1923 its political shape had changed beyond recognition as the collapse of the Ottoman Empire and the insistent claims of Arab and Turkish nationalism and Zionism led to a redrawing of borders and shuffling of alliances a transformation whose consequences are still felt today This fully revised and updated second edition of *The Makers of the Modern Middle East* traces those changes and the ensuing history of the region through the rest of the twentieth century and on to the present Focusing in particular on three leaders Emir Feisal Mustafa Kemal and Chaim Weizmann the book offers a clear authoritative account of the region seen from a transnational perspective one that enables readers to understand its complex history and the way it affects present day events

The Hashemites Robert McNamara, 2010-09-07 The story of the Arab Revolt and the Hashemite princes who led it during the First World War is inextricably linked in modern eyes to the legend of Lawrence of Arabia as portrayed in David Lean's 1962 film But behind this romantic image lies a harsher reality of wartime expediency double dealing and dynastic ambition which shaped the modern Middle East and laid the foundations of many of the conflicts that rack the region to this day Arab nationalists claim that British instigation for the Arab Revolt against the Ottoman Empire was a commitment to independence for the Arab people but in this book Robert McNamara shows how the British cultivated the Hashemite Sherifs of Mecca more as an alternative focus during the First World War for Muslim loyalty from the Ottoman Sultan who as Caliph

had declared a jihad against the Allies when the Turks joined the Central Powers than a leader of an independent and united Arabia At the same time the Sykes Picot Agreement divided up the Middle East between British and French spheres of influence The sense of betrayal that this caused has coloured Arab nationalists views of the West ever since The main countries of the Middle East Jordan Syria and Iraq are all the creations of the post First World War settlement worked out at the Paris Peace Conference The story of the Hashemite dynasty at the Paris Peace Conference is the story of the birth of the modern history of a region that is now more than ever at the centre of world affairs *The Making of Contemporary Algeria, 1830-1987* Mahfoud Bennoun, 2002-08-22 An analytical account of Algerian economic development emphasising post independence policies up to 1987 **Cairo University and the Making of Modern Egypt** Donald Malcolm Reid, 2002-07-04 Cairo University has been crucially important in shaping the national life of modern Egypt In this history Professor Reid explains the university's part in the national quest for independence from Britain in the perennial tension between secular and religious world views and in the push for a more egalitarian society **Competitive Archaeology in Jordan** Elena Corbett, 2015-01-15 An examination of archaeology in Jordan and Palestine Competitive Archaeology in Jordan explores how antiquities have been used to build narratives and national identities Tracing Jordanian history and the importance of Jerusalem within that history Corbett analyzes how both foreign and indigenous powers have engaged in a competition over ownership of antiquities and the power to craft history and geography based on archaeological artifacts She begins with the Ottoman and British Empires under whose rule the institutions and borders of modern Jordan began to take shape asking how they used antiquities in varying ways to advance their imperial projects Corbett continues through the Mandate era and the era of independence of an expanded Hashemite Kingdom examining how the Hashemites and other factions both within and beyond Jordan have tried to define national identity by drawing upon antiquities Competitive Archaeology in Jordan traces a complex history through the lens of archaeology's power as a modern science to create and give value to spaces artifacts peoples narratives and academic disciplines It thus considers the role of archaeology in realizing Jordan's modernity drawing its map delineating sacred and secular spaces validating taxonomies of citizens justifying legal frameworks and institutions of state determining logos of the nation for display on stamps currency and in museums and writing history Framing Jordan's history in this way Corbett illustrates the manipulation of archaeology by governments institutions and individuals to craft narratives draw borders and create national identities **Religion, Politics, and the Origins of Palestine Refugee Relief** A. Romirowsky, A. Joffe, 2013-12-18 This book examines the leading role of the Quaker American Friends Service Committee in the United Nations relief program for Palestine Arab refugees in 1948-1950 in the Gaza Strip Using archival data oral histories and biographical accounts it provides a detailed look at internal decision making in an early non governmental organization **Jordan in the 1967 War** Samir A. Mutawi, 2002-07-18 This study considers the war from the Jordanian perspective **Thugs** Micah D. Halpern, 2007-08-19 An

incisive look into the lives politics and horrible deeds of fifty six of history s most notorious world leaders and how they shaped our world for the worst For the most notorious leaders in the history of the world evil is more than just a moment of weakness it s a way of life For every noble king righteous emperor and peace loving president history seems to serve up a double portion of murderous pharaohs deranged dictators or corrupt czars Thugs probes this dark and twisted side of raw human power from France s King Louis XIV to China s Mao Tse Tung and everywhere in between It s a fascinating peek into the lives of the rich and infamous the sour cr me de la cr me Some like Herod the Great earned villainous reputations for slaughtering their own family members and countrymen Others like Egypt s King Farouk were almost laughable in their misdeeds amassing the world s largest collection of pornography Then there are those leaders such as Hitler who committed acts of such unspeakable evil that their names are uttered as curses From Filipino first lady Imelda Marcos s bullet proof bras to African strongman Ide Amin s bizarre fixation with all things Scottish Micah D Halpern turns the yellowed pages of history and contemporary news accounts to profile the bewildering outrageous horrific gut wrenching zany and tragicomic behavior of the world s worst leaders Praise for Thugs Written in short easy to digest sentences columnist and historian Halpern fills his brief sketches with colorful terrible details in the manner of that rare beloved history teacher whose lectures stir rapture in a nap prone student body Publishers Weekly

The Ottoman Empire and European Capitalism, 1820-1913 Sevket Pamuk,1987-09-10 Originally published in 1987 this book examines the consequences of the nineteenth century economic penetration of Europe into the Ottoman Empire Professor Pamuk makes subtle use of a very wide range of sources encompassing the statistics of most of the European countries and Ottoman records not previously tapped for this purpose His economic and quantitative analysis established the long term trends of Ottoman foreign trade and European investment in the Empire The later chapters focus on the commercialisation of agriculture and the decline as well as the resistance of handicrafts Geographically most of the volume focuses on the area within the 1911 borders of the Empire Turkey northern Greece Greater Syria and Iraq Professor Pamuk compares the relationship of the Ottoman Empire to the world economy with that of other parts of the non European world and concludes that the two distinguishing features of the Ottoman case were the environment of Great Power rivalry and the ability of the government to react against European pressures

Abdullah al-Tall -- Arab Legion Officer Ronen Yitzhak,2012-06-25 Reviews al Tall s military political biography during the years he served as an officer in the Arab Legion and those he spent in political exile in Egypt This book helps to understand al Tall s personality his contribution to the success of the Arab Legion in the 1948 war and his part in the assassination of King Abdullah

Islam and Resistance in Afghanistan Olivier Roy,1990 This history of the Afghan resistance movement has been expanded and updated to mid 1989 to include its evolution over the last years of Soviet occupation as well as its relations with Islamic fundamentalist movements

Middle East Patterns Colbert C. Held,John Thomas Cummings,2011 Thoroughly revised and updated this comprehensive general geography of the Middle East is critical reading for all students

of the region s geography regional history politics comparative governments and development economics *State and Society in Mid-Nineteenth-Century Egypt* Ehud R. Toledano,2003-02-13 Previous studies of nineteenth century Egypt have often been premature in identifying the existence of an independent nation state In a way which will permanently affect our view of Egyptian history this book argues that in the mid nineteenth century period Egypt was still an Ottoman province with a provincial Ottoman elite which was only gradually becoming Egyptian Part one discusses the creation of a dynastic order in Egypt especially under Abbas Pasa 1848 1854 and the formation of an Ottoman Egyptian ruling class Part two deals with the non elite groups the vast majority of Egypt s population A final chapter offers a convincing picture of the social and cultural life of the period in a way which has never before been attempted in a Middle East context The author s valuable knowledge of Ottoman and Arabic as well as European documents and his use of a wide variety of sources including police and court records chronicles and travel literature have enabled him to make an important contribution to a neglected period of Egyptian history and indeed to our understanding of other provinces and dependencies in the region *Jordan and the Arab Uprisings* Curtis R. Ryan,2018-06-26 In 2011 as the Arab uprisings spread across the Middle East Jordan remained more stable than any of its neighbors Despite strife at its borders and an influx of refugees connected to the Syrian civil war and the rise of ISIS as well as its own version of the Arab Spring with protests and popular mobilization demanding change Jordan managed to avoid political upheaval How did the regime survive in the face of the pressures unleashed by the Arab uprisings What does its resilience tell us about the prospects for reform or revolutionary change In *Jordan and the Arab Uprisings* Curtis R Ryan explains how Jordan weathered the turmoil of the Arab Spring Crossing divides between state and society government and opposition Ryan analyzes key features of Jordanian politics including Islamist and leftist opposition parties youth movements and other forms of activism as well as struggles over elections reform and identity He details regime survival strategies laying out how the monarchy has held out the possibility of reform while also seeking to coopt and contain its opponents Ryan demonstrates how domestic politics were affected by both regional unrest and international support for the regime and how regime survival and security concerns trumped hopes for greater change While the Arab Spring may be over Ryan shows that political activism in Jordan is not and that struggles for reform and change will continue Drawing on extensive fieldwork and interviews with a vast range of people from grassroots activists to King Abdullah II *Jordan and the Arab Uprisings* is a definitive analysis of Jordanian politics before during and beyond the Arab uprisings

The British and French Mandates in Comparative Perspectives/Les mandats français et anglais dans une perspective comparative Nadine Méouchy,Peter Sluglett,2004-01-01 This collection represents the first large scale attempt to discuss the Middle Eastern mandates as a totality It compares the application and effects of this very specific form of late colonialism from a variety of different disciplinary perspectives including anthropology architecture archival conservation economics history law and sociology It contains analyses at both micro and macro levels including specific instances of revolt

or collaboration studies of particular individuals of professional groups and their contributions to nation building comparisons between the various political and cultural policies of the mandatory powers and the formation and practice of le savoir colonial by contemporary ethnographers officials physicians and teachers The volume will be of interest to historians of imperialism and of the twentieth century Middle East **The Palgrave Handbook of the Hashemite Kingdom of**

Jordan P. R. Kumaraswamy, 2019-11-30 This Handbook presents a broad yet nuanced portrait of the Hashemite Kingdom of Jordan its socio political rifts economic challenges foreign policy priorities and historical complexities The Hashemite Kingdom of Jordan has traditionally been an oasis of peace and stability in the ever turbulent Middle East The political ambitions of regional powers often expressed in the form of territorial aggrandisement have followed the Hashemites like an inseparable shadow The scarcity of natural resources especially water has been compounded by the periodic influx of refugees from its neighbours As a result many Arab and non Arab alike have questioned the longevity and survival of Jordan These uncertainties were compounded when the founding ruler King Abdullah I became involved in the nascent Palestinian problem at the end of World War II The annexation of the eastern part of Mandate Palestine or the West Bank in the wake of the 1948 War transformed the Jordanian demography and sowed the seeds of an uneasy relationship with the Palestinian component of its population citizens residents and refugees Though better natural resources and stronger leaders have not ensured political stability in many Arab and non Arab countries Jordan has been an exception Indeed since its formation as an Emirate by the British in 1921 the Kingdom has seen only four rulers a testimony to the sagacity and political foresight of the Hashemites The Hashemites have managed to sustain the semi rentier model primarily through international aid and assistance which in turn inhibits Jordan from pursuing rapid political and economic reforms Though a liberal multi religious and multicultural society Jordan has been hampered by social cleavages especially between the tribal population and the forces of modernization **مصر في عهد محمد علي** , *Egypt in the Reign of Muhammad Ali* Afaf Lutfi Sayyid-Marsot, 1984-01-12 This account of Egyptian society traces the economic reasons for Muhammad Ali's rise to power and the effects of his regime on Egypt's development as a nation state

The Enigmatic Realm of **King Abdullah Britain And The Making Of Jordan Cambridge Middle East Library**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **King Abdullah Britain And The Making Of Jordan Cambridge Middle East Library** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.
