Maternal Activism Mothers Confronting Injustice Praxis Theory In Action:

Maternal Activism Danielle Poe, 2015-02-11 Maternal Activism tells the stories of women who refused to ignore injustice even though many people urged them to stop their activism by claiming it would harm their children Molly Rush Michele Naar Obed Cindy Sheehan and Diane Wilson recognized that the potential well being of their children relates to the damage done by US militarism and environmental destruction These women s stories illustrate feminist ethical theory and contemporary theory from peace studies By examining their context for addressing injustice and the theoretical supports for their action this book demonstrates that issues of injustice overlap such that critiques of nuclear weapons lead to critiques of war and militarism which lead to critiques of environmental destruction **Mothers Who Deliver** Jocelyn Fenton

Stitt, Pegeen Reichert Powell, 2012-02-01 Mothers Who Deliver Feminist Interventions in Public and Interpersonal Discourse brings together essays that focus on mothering as an intelligent practice deliberately reinvented and rearticulated by mothers themselves The contributors to this watershed volume focus on subjects ranging from mothers in children s picture books and mothers writing blogs to global maternal activism and mothers raising gay sons Distinguishing itself from much writing about motherhood today Mothers Who Deliver focuses on forward looking arguments and new forms of knowledge about the practice of mothering instead of remaining solely within the realm of critique Together the essays create a compelling argument about the possibilities of empowered mothering **New Maternalisms: Tales of Motherwork**

(dislodging the Unthinkable) Roksana Badruddoja, 2016-04-01 New Maternalisms Tales of Motherwork Dislodging the Unthinkable explores the perceptions of those who engage in and or research motherwork or the labour of caregiving and how mothers view themselves in comparison to broader normative understandings of motherwork Here the anthology serves to deconstruct motherwork by highlighting and dislodging it from maternal ideology the socially constructed good mom read as sacrificial mom and feminized hegemonic discourse The objective of the edited volume then is to critically explore how we experience motherwork what motherwork might mean and how motherwork impacts and is impacted by the communities in which we live Such an examination involves contesting dominant ways of thinking about motherwork **The Political Uses**

of Motherhood in America Cynthia Stavrianos, 2014-11-13 As various contemporary groups use the language of motherhood to advance their political causes maternal rhetoric has become very visible in the American political discourse of late Yet while it has long been recognized that women have invoked their political status as mothers to organize and authorize their political action in the past scholars have only just begun to examine the recent reemergence of this frame This book describes the wide variety of political causes that mothers are organizing to address and analyses whether ideologically conservative organizations are disproportionately represented among groups using motherhood to mobilize women Stavrianos examines the use of maternal discourses in closer detail through a comparative case study of five groups using motherhood as their primary frame for collective political action Mothers Against Drunk Driving Million Mom March

Mothers Against Illegal Aliens Mainstreet Moms Organize or Bust and Mothers in Charge Scholars interested in women and politics interest group politics social movements political behavior women s studies motherhood studies and framing strategies will find this book noteworthy as it adds to a growing body of literature exploring the use of motherhood as an emerging political frame and to the interdisciplinary discussion of contemporary discourses of motherhood **Mother Troubles** Julia Hanigsberg,1999-08-01 A marvelous collection unified by its determination to speak on behalf of mothers assailed by government policies social institutions and a culture of mother blaming These essays open the way for more direct compassionate respectful and constructive responses to the dilemmas facing families and mothers Alison M Jaggar author of Feminist Politics and Human Nature **The Politics of Motherhood** Alexis Jetter,Annelise Orleck,Diana Taylor,1997 Essays and interviews explode the myth of apolitical motherhood by showing how 20th century women have politicized their role as mothers in a wide range of social contexts **Confronting Postmaternal Thinking** Julie Stephens,2012-06-05 Investigates oral history life narratives and Web blogs to confront the core claims of postmaternal thought and challenges dominant representations of feminism as having forgotten motherhood
