Kierkegaard Works Of Love

Richard McCombs

Kierkegaard Works Of Love:

Works of Love Søren Kierkegaard, 1962 One of Søren Kierkegaard's most important writings *Works of Love* is a profound examination of the human heart in which the great philosopher conducts the reader into the inmost secrets of Love. Deep within every man Kierkegaard writes there lies the dread of being alone in the world forgotten by God overlooked among the household of millions upon millions. Love for Kierkegaard is one of the central aspects of existence; it saves us from isolation and unites us with one another and with God. This new edition of *Works of Love* features an original foreword by Kierkegaard scholar George Pattison. *Works of Love* Søren Kierkegaard, 1998-03 Danish philosopher Søren Kierkegaard 1813-1855 takes a penetrating and illuminating look at the various kinds and conditions of love. Written to be read aloud, the book conveys a keenness of thought and an insightful poetic imagination that makes it richly rewarding and also invites many rereadings. Søren Kierkegaard : Works of love H. ; Hong Hong (E., trans), 1962 *Love's Grateful Striving* M. Jamie Ferreira, 2001-06-07 Søren Kierkegaard's *Works of Love* 1847, a series of deliberations on the commandment to love one's neighbor, has often been condemned by critics. Here Ferreira seeks to rehabilitate *Works of Love* as one of Kierkegaard's most important works. He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics, including impartiality, duty, equality, mutuality, reciprocity, self-love, sympathy, and sacrifice. Ferreira also argues that *Works of Love* bears on issues peculiar to a religious ethic, such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation. Works of Love Robert L. Perkins, 1999 To claim that *Works of Love* is an important philosophical essay is to assume a hazardous burden of proof. The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves, a far cry from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty, beauty itself. Plato Symposium. This contrast, given that some of our neighbors may not be particularly likable or one may even be a determined enemy, suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon, helps for the harried clergy or at worst laden with rules for the unlearned laity. A casual perusal of a few paragraphs, however, shows these put-down views of the book to be unfounded. **Art and Praise in Kierkegaard's Works of Love** Richard McCombs, 2023-12-19 Since art is essential to the love of one's neighbor as oneself and to love's chief goal of building up one another, we cannot understand love without also understanding its art. Observing that praise is ubiquitous in Søren Kierkegaard's writings, Richard McCombs interprets Kierkegaard's *Works of Love* as a eulogy of love's arts of forgiveness, peace-making, and building up one's neighbor in maturity and charity. Kierkegaard stresses love's ability to achieve results, calling love irresistible and almost magical in overcoming obstacles to its purposes. Living the life of faith and love involves skillful attention to the specificity of the episodes in an individual's life and the creative imagining of new ways of enacting these virtues. McCombs argues that Kierkegaard's ideas about the art of

love reveal limits or exceptions to his individualism and to his anti consequentialism in ethics Art and Praise in Kierkegaard's Works of Love explores Kierkegaard's distinct praises of love through texts like Works of Love The Brothers Karamazov and Middlemarch to illustrate complement and sometimes correct Kierkegaard's profound account of love's art and wisdom suggesting ways that the art of praise bears on other questions in aesthetics ethics and religion [The Significance of Søren Kierkegaard's Works of Love for Contemporary Christian Social Ethics](#) John Richard Hanson,2005 **Works of Love** Søren Kierkegaard,2025-07-15 Following his acclaimed translations of Fear and Trembling and The Sickness unto Death Bruce H Kirmmse presents a new translation of Kierkegaard's discourses on love Bruce H Kirmmse is among the very best translators of Kierkegaard working today Christopher B Barnett A founding figure of existentialism Søren Kierkegaard is perhaps best known for his writing on anxiety and despair particularly in such works as Fear and Trembling The Concept of Anxiety and The Sickness unto Death Yet love too is a common theme in Kierkegaard's oeuvre underlying his various collections of edifying discourses as well as Either Or Stages on Life's Way Christian Discourses and especially Works of Love First published in 1847 Works of Love is the most important explicitly religious work Kierkegaard published under his own name Intended to awaken rather than convince replicating in Socratic fashion the stinging impatient character of a gadfly the book consists of two sets of deliberations on love the first set addressing love as a duty and the second examining the applications of love Throughout Kierkegaard contrasts romantic love and love of one's friends with the selfless Christian love or agape of the New Testament ultimately contending that the only way to purge self interest from love is to love one's neighbor as oneself and oneself as one's neighbor who is indeed unconditionally every person Although careful to distinguish his deliberations from clerical sermons Kierkegaard insisted that in order to grasp the full meaning of the texts that constitute Works of Love one must hear them Kierkegaard makes this point repeatedly in his journals and indeed the preface of a work he published a few years after Works of Love begins with the words My dear reader If possible read aloud If you do so let me thank you for it While previous translations have not given sufficient attention to this critical aural aspect of the text Bruce H Kirmmse's translation preserves it thus making the same request of its readers that Kierkegaard once made of his to hear the argument by reading it aloud Featuring an illuminating introduction by Kirmmse this new translation of Works of Love promises to become the standard for generations to come [Works of Love](#) Søren Kierkegaard,2025-07-15 Following his acclaimed translations of Fear and Trembling and The Sickness unto Death Bruce H Kirmmse presents a new translation of Kierkegaard's discourses on love Bruce H Kirmmse is among the very best translators of Kierkegaard working today Christopher B Barnett **Works of Love, by Søren Kierkegaard** Søren Kierkegaard,1962 **Kierkegaard's 'Works of Love'** Jeffrey Hanson,Wojciech Kaftanski,2025-07-31 Kierkegaard's Works of Love published in 1847 is considered a monumental text on love from one of the nineteenth century's greatest thinkers It considers different types of love including Christian love and love of God as well as love of a parent a spouse and a friend It was initially considered austere and

unrewarding as a philosophical and religious text but is now being appraised more appreciatively from a diverse range of perspectives The essays in this Critical Guide engage with Kierkegaard's unique view of love and expand upon topics including duty virtue selfhood friendship authenticity God hermeneutics environmentalism politics justice self-righteousness despair equality commitment sociality and meaning in life Drawing on both analytic and continental European traditions they revisit the vexed and contested questions of this book and demonstrate its continuing relevance and importance to present day debates

Kierkegaard's "Works of Love" Paul Müller,1993

Love's Grateful Striving M. Jamie Ferreira,2001

Kierkegaard and the Philosophy of Love Michael Strawser,2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard's writings as he argues that the central issue of Kierkegaard's authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self-love possible How can I love God and themes love's immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide-ranging analysis of Kierkegaard's writings from the early *The Concept of Irony* and *Edifying Discourses* to the late *The Moment* while maintaining the prominence of *Works of Love* to demonstrate how Kierkegaard's writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser's argument that Kierkegaard's writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean-Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard's writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Kierkegaard Works Of Love eBooks, including some popular titles.

FAQs About Kierkegaard Works Of Love Books

What is a Kierkegaard Works Of Love PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kierkegaard Works Of Love PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Kierkegaard Works Of Love PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kierkegaard Works Of Love PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kierkegaard Works Of Love PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
