Bibliography of Art and Architecture in the Islamic World (2 vols.) Susan Sinclair,2012-04-03 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an

indispensable tool for everyone involved in the study of material culture in Muslim societies

Historical Dictionary of the Kurds Michael M. Gunter, 2010-11-04 Straddling the mountainous borders where Turkey Iran Iraq and Syria converge in the Middle East the 25 30 million Kurds living there constitute the largest nation in the world without its own independent state In recent years the Kurdish problem has become increasingly important in Middle Eastern and even international politics for two fundamental reasons First the wars against Saddam Hussein in 1991 and 2003 resulted in the creation of a virtually independent Kurdistan Regional Government KRG in a federal Iraq This KRG has inspired the Kurds elsewhere to seek cultural social and even political autonomy if not independence Second Turkey s application for admission into the European Union EU also has brought the Kurdish issue to the attention of Europe The second edition of Historical Dictionary of the Kurds greatly expands on the first edition through an updated chronology an introductory essay an expanded bibliography maps photos and over 400 cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics This book is an excellent access point for students researchers and anyone wanting to know more about the history of the Kurds

Kurdish Culture and Society Lokman I. Meho, Kelly L. Maglaughlin, 2001-02-28 Unique timely and up to date this volume is the first comprehensive bibliography on Kurdish culture and society Compiled to help students educators researchers and policy makers find relevant information with ease the book includes more than 930 items in four major languages Arabic English French and German This work covers the fields of anthropology archaeology art communication demography travel economy education ethnicity health journalism language literature migration music religion social structure urbanization and women s studies The volume includes books and book chapters journal articles Ph D dissertations conference papers articles in dictionaries and encyclopedias and important Web sites Essays provide an overview of Kurdish society as well as surveys of Kurdish life in Syria the former Soviet Union Europe and Lebanon An invaluable guide for researchers interested in the Kurds and Kurdistan this book will aid in the location of information that is highly diverse and scattered With its focus on a timely subject this book fills a major gap in the bibliographic literature

The Double Goddess Vicki Noble, 2003-06-19 The first book to seriously study the double goddess that figures prominently in Neolithic and Bronze Age cultures Offers an important symbol for modern women seeking to reconnect with their ancient integral sense of self and wholeness Presents an archetype for the sacred potential of female bonding whether between mother and daughter teacher and student friends or lovers Illustrated with 149 examples of double goddess images Numerous figures depicting two women in intimate relation with one another or as a single body with two heads have been discovered in important centers of early civilizations such as Catal Huyuk and Gozo These have been routinely ignored by scholars or dismissed as mere dolls with no sacred connotations whatsoever Vicki Noble shows to the contrary that this double goddess is an ancient icon that can considerably expand our understanding of female sovereignty as well as provide contemporary women with a way to reconnect with the integral sense of self and wholeness enjoyed by their

ancestors Ancient Goddess religion was informed by the organic cycles of nature the dual poles of Life and Death The double goddess represents phenomena such as the Earth Moon pair the Upper Underworld pair the Summer and Winter poles of the seasonal year and the dual poles of the female biological reality of menstruation and ovulation the dark and the light The double goddess in all her varied forms also depicts the vast array of potential relationships women can form with themselves and each other This book is a celebration of an archetype that not only empowers women but also teaches them how to share that power with each other Understanding Generative AI in a Cultural Context: Artificial Myths and Human Realities

Saka, Erkan,2024-12-18 The interplay between artificial intelligence AI and cultural dynamics is reshaping communication practices in the digital era highlighting how technology and culture influence each other Generative AI technologies deeply embedded in cultural contexts are transforming how individuals and societies interact share ideas and create meaning Understanding these interactions requires diverse methodologies and perspectives to capture the complexity of AI s role in cultural evolution This exploration helps illuminate the broader societal impact of AI offering insights into its potential to shape communication and cultural practices worldwide Understanding Generative AI in a Cultural Context Artificial Myths and Human Realities explores the nuanced interactions between AI cultural dynamics and communication practices within the digital landscape It offers a multidisciplinary examination of how generative AI technologies are reshaping the contours of digital life focusing on how these technologies are influenced by cultural contexts and how they in turn influence cultural and communicative practices Covering topics such as AI Influencers human AI interaction and storytelling this book is an excellent resource for academicians researchers scholars students policymakers technologists industry professionals librarians and more **The Grove Encyclopedia of Decorative Arts** Gordon Campbell,2006-11-09 The Grove
