need not hear the words of a prophet to know that we stand at the brink of explosive global change unparalleled in the history of the world. But if we are given the words of a prophet and fail to pay heed, such change can now only lead to the final self-destructive act in the human tragedy. This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge, wisdom, and vision critical to the future survival of our world. Like a topographical map that from a bird's-eye view indicates to us the path of least resistance, the Source points the way beyond war and violence, greed and fear, and toward a higher, transcendental sanity to match the needs of the critical times in which we live. The Way of One. Given the ever-increasing speed at which we are advancing toward our final destiny, we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages. *The Biblical Saga of King David* John Van Seters, 2009-06-30. The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies. Does the narrative contain insight into and information about the early history of the Judean monarchy, or is it merely a legendary tale about a distant past? Can we identify the story's literary genre, its sociohistorical setting, and the intention of its author's? Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative's compositional and text critical history? Van Seters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then presents an extended appraisal of the debate about the social and historical context of the biblical story. From this critical foundation, Van Seters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon. Words of Life Leader Guide Adam Hamilton, 2020-12-29. Nearly everyone has heard of the Ten Commandments, the list of thou-shalt-nots found in the Bible. Jesus saw these commandments not as onerous burdens but as guideposts to help us experience a good and beautiful life. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving thou-shalt. He also explores how the latest research in science and psychology illuminates these commandments rightly understood as a way of ordering one's life beautifully in the present day. In a culture marked by workaholic materialism and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. The Leader Guide contains everything needed to guide a group through a six-week Lenten study or a more in-depth ten-session study, including session plans, activities, and discussion questions. **The Stratified Leadership Model of the First-Century Christian Church** Barton S. Garratt Edsall, 2025-07-29.
