Beyond Belief to Convictions Josh McDowell,Bob Hostetler,2002 If the church doesn t act now we will lose a whole generation to postmodernism Most young people believe that truth is relative to individual beliefs McDowell insists that truth matters and that truth changes who we are and how we act McDowell introduces relational apologetics proving that objective truth is founded on a relationship with Jesus Christ **Impress Them on Your Children** Charleton D.

King,2023-12-19 It was a slow realization over many years that I had been living a divided life as a Christian teaching in the public school system I had no problem teaching at a public school myself but I simultaneously refused to send my children to the same school because I didn't want them exposed to what was taught there The inconsistency was clear in the minds of others when they found out that I homeschooled my children but it took years for it to become clear to me After a decade in teaching I felt convicted to resign This book recounts the several moments and realizations that led up to my decision to leave public education

Running with the Horses Larry Taylor Ph.D.,2013-10-15 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child's faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5

Clear Focus Stephen G. Reel,2015-06-30 Clear Focus is primarily for Christian school educators but I believe this is a must read for every single Christian I was both convicted and challenged in my everyday walk with the Lord Dr Glen Schultz Author of Kingdom Education helps us to refocus on who so that the tyranny of what does not rob us of the joy of ministry This is a must read for anyone ministering in Christian schooling Dr Daniel Egeler President of the Association of Christian Schools International Clear Focus encourages and equips Christian educators to regain vision purpose and fulfillment in ministry With a passion for discipleship Stephen shares rich insights through compelling stories and biblical applications He also draws on his experience from two tours of duty in the United States Marine Corps In a world full of distractions maintaining focus can be difficult if not impossible When we focus intently on who we begin to escape the tyranny of what which steals the joy from our lives and service Jesus perfectly modeled this for us Follow Him through any day of His ministry and you will see His focus is always on a who Ours should be too
