appearing throughout the early believers Some believed Jesus said or meant He would save them Others believed He showed the way for each to save themselves By the 300s CE there were literally hundreds of Christian Churches each with their own sacred books and differing beliefs In 325 CE the Roman Emperor Constantine who was looking for a way to gain better control over his failing empire summoned all the Bishops of the disparate Christian churches to Nicea Approximately 300 Bishops attended The Council of Bishops turned control of the Church over to the state the Roman Empire and Constantine for certain benefits Beliefs as well as Gospels letters prayers and the like were changed to reflect the level of control Constantine demanded for a State Religion Countless other changes to early Christian beliefs have been made since Constantine and continue to this day
