Google Adwords Certification Guide Keith Penn,2016-09-05 Google is the standard in pay per click search engine marketing and if you want to show credibility in the field then you want their certification Four long time AdWords exam guides are combined into one to prepare you to pass Google s Fundamentals Search Video and Display exams on the first try If it s on any of these four tests then it s in this one guide It does not cover Google s Mobile Shopping or Analytics certifications Every question the author has seen on real exams can be answered with this plain language material which presents only what you need to know It delivers straight talk about the differences between Examland and the real world with tips on how to out perform in both Praise We ve evaluated several regular guides to use as a textbook for the SEM and display course series but this is the hands down best there is It s a great book for those aiming to get 95% the first time they take the tests Claudia M Digital Marketing Instructor This book is written in very plain English and very honest about what to expect and what not to expect Thank you for these books Robin S Owner of an online marketing consulting firm While I do appreciate the fact that I passed my exam quickly thanks to this book I find it useful in so many other ways I have it as a reference book at work and I catch myself using it in my day to day work too Annie K Marketing Manager Bottom line Get this book if you have some basic hands on knowledge of AdWords and you are looking to pass the AdWords test and join the Google Partner Program Elie O Director of Audience Development

Digital Preservation for Libraries, Archives, and Museums Edward M. Corrado,Heather Moulaison-Sandy,2017-01-12 This new edition of Digital Preservation in Libraries Archives and Museums is the most current complete guide to digital preservation available today For administrators and practitioners alike the information in this book is presented readably focusing on management issues and best practices Although this book addresses technology it is not solely focused on technology After all technology changes and digital preservation is aimed for the long term This is not a how to book giving step by step processes for certain materials in a given kind of system Instead it addresses a broad group of resources that could be housed in any number of digital preservation systems Finally this book is about things not technology not how to not theory I wish I knew before I got started Digital preservation is concerned with the life cycle of the digital object in a robust and all inclusive way Many Europeans

and some North Americans may refer to digital curation to mean the same thing taking digital preservation to be the very limited steps and processes needed to insure access over the long term The authors take digital preservation in the broadest sense of the term looking at all aspects of curating and preserving digital content for long term access The book is divided into four part 1 Situating Digital Preservation 2 Management Aspects 3 Technology Aspects and 4 Content Related Aspects Digital Preservation will answer questions that you might not have even known you had leading to more successful digital preservation initiatives

Consumer Protection, Automated Shopping Platforms and EU Law Christiana Markou, 2019-09-10 This book looks at two technological advancements in the area of e commerce which dramatically seem to change the way consumers shop online In particular they automate certain crucial tasks inherent in the shopping activity thereby relieving consumers of having to perform them These are shopping agents or comparison tools and automated marketplaces It scrutinizes their underlying processes and the way they serve the consumer thereby highlighting risks and issues associated with their use The ultimate aim is to ascertain whether the current EU regulatory framework relating to consumer protection e commerce data protection and security adequately addresses the relevant risks and issues thus affording a safe shopping environment to the e consumer
