Got An Angry Kid Got An Angry Kid:

Got an Angry Kid? Andrew D. Gibson, 2009-01-01 Gibson's guide can help parents of out of control children restore love and integrity to the family dynamic **Growing with Love** Andrew D. Gibson, 2010 Gibson's guide can help parents of out of control children restore love and integrity to the family dynamic Angry Kids, Angry Parents Anne Hilde Vassbø Hagen, Joanne Dolhanty, 2023-06-27 Psychologists Anne Hilde Vassbø Hagen and Joanne Dolhanty explain everything you need to know about your child's anger and how to manage it. Anger can be normal and healthy when it enables us to stand up for ourselves and defend against injustice. However, it can also lead to aggression even violence while also hiding other more vulnerable emotions. For instance, an angry child may be hiding embarrassment, shame, disappointment, sadness, loneliness, or fear. As a parent, it is your job to help your child understand their anger, express it in an appropriate way, and address the underlying need. In *Angry Kids Angry Parents*, you will learn how to respond to your child's anger in a sensitive and productive way that validates their feelings, addresses their needs, and teaches them to manage their own anger. It can be nerve-racking to watch your child explode in rage. This book will teach you how to stay calm and protect your boundaries. Supported by years of psychological research and therapeutic practice, the strategies in this practical, compassionate book will help any parent who struggles with their child's anger. **Calming Angry Kids** Tricia Goyer, 2018-10-01 *Slammed* Hurting hearts. Tricia Goyer knows what it's like to parent children with chronic anger. In *Calming Angry Kids*, Goyer draws on her own experience to help readers understand what's going on in a child's brain, focus on relationship over rules, teach a child how to handle frustrations without outbursts, control how they express their own anger, establish a standard of respect in the home. Including reflection questions and action steps at the end of each chapter, *Calming Angry Kids* shows weary parents that peace in their home is within reach. **Recovering the Self** Andrew D.
