It Takes Three To Tango Jem Wendel, 2024-12-15 They say it takes two to tango but for us three is the magic number When I was sent to Barcelona to be with my ageing aunt I wasn't thinking about love and romance let alone falling in love with two men But I never imagined men like Rafe and Constantin existed Older Constantin with his quiet intense demeanour and voice that entraps me and Rafe whose sweet expansiveness hits me harder and quicker than I ever thought possible When Constantin's bar needs repairing we realise my life and Rafe's betrayed wounded heart also need some tender love and care It's then I start believing the only way we can fix all of it is together the three of us Three men from different countries shaped by different experiences and with varying visions of life are brought together by the need for companionship Set against the backdrop of Gaudi's city *It Takes Three To Tango* is the story of three men who discover each other and learn the meaning of life and love Add in an indomitable ageing star tango dancing Spanish lessons and a dash of silk and it's going to be the journey of a lifetime *Spanish Polyphonic Song, C.*

Francisco in 1898 and the Buddhist Mission of North America also in San Francisco in 1899 The Japanese temples and their umbrella organizations persisted by contrast in part owing to the greater cohesion resulting from Japanese Buddhism s higher degree of sectarianism their reliance on trained missionary ministers their support by large relatively wealthy parent denominations in Japan and their fundamentally religious nature Founded and run as temples the member congregations of the Buddhist Mission of North America and similar organizations drew the greater Japanese American community together while allowing cultural activities to take place at the temples rather than having religion be merely one of numerous sponsored activities
