His Hand On Your Shoulder:

The Devil on Your Shoulder Elyssa Patrick, 2019-04-04 It's hate at first sight The only thing Nora Quinn looks forward to at weddings is the cake Otherwise one wedding is like every other Except this one when a handsome man steals her seat to hit on another woman With one single glance she knows his type all too well She surprisingly finds herself engaged in a battle of insults But it's not as if she'll ever run into the dark eyed seat thief who just might be her mortal enemy It's true that Deacon Knight has had an easy life If he wants something he gets it He doesn't waste time on hopeless endeavors or on a woman who gets under his skin He should forget her not constantly think about her Deacon resolves never to talk to her again He doesn't even know her name so it should be easy Simple Not a problem Once the wedding ends they don't expect their paths to cross But life is evil sometimes and all too soon Nora and Deacon keep meeting with insults at the ready He's the last man she would ever fall for She's the last woman he would ever want It's a good thing they won't fall in love

Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe's own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I'm a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel Another great thing about this book was the main character Abe He was a likeable star at least in my opinion He has playful banters with his children and the schizophrenia

part of his character was done very well Will he uncover the truth before it s too late This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page Don t miss out on this thought provoking thriller that invites you into Abe s world a place where love and fear intertwine Click to begin your journey through this unforgettable tale filled with suspense emotional depth and shocking revelations Keywords mystery jewel heist schizophrenia mental illness bipolar paranoia family drama ocd allergies foodie addiction substance abuse depression divorce
