His Image Teen Girls:

In His Image for Teen Girls Priscilla Soos, 2015-12-09 God created each of us in His image and when He was finished He said It is good These three words from the book of Genesis give us all enormous value one that is not limited to a future in heaven In His Image for Teen Girls began as a quest by author Priscilla Soos to explain the value of these three little words and more for her teen daughter We all need to understand how much worth strength and focus can come from knowing that we are each created in Gods image A personal understanding of what it means to be created in Gods image not only helps us to defend against the negative images pressing down on us every day but also provides the tools to lift us up to the level God has planned for us God opened Soos eyes and helped her see that the challenges her daughter faced were the same as those she encountered at a similar age The situations differed but the core issues were the same the worth she placed on herself would reflect not only the value others would place on her but also the value she would accept from her environment In His Image for Teen Girls seeks to help teen girls understand that being created in Gods image makes them heirs to God and His kingdom

Literarily Kristie Anyabwile, 2022-03-01 Don't just read the Bible literally read it Literarily A lot of times we treat Scripture like it's all the same from Genesis to Revelation After all it only has one Author Isn't it just one big book identical from beginning to end While it's true that the Bible is unified it is also diverse The Bible can be grouped according to key categories called genres that help us to read and properly interpret the Scriptures An understanding of these genres and the literary themes and devices used within them makes all the difference when encountering God's Word Long time Bible teacher Kristie Anyabwile discovered as she prepared her lessons that a single inductive approach doesn't do justice to the variety of genres that make up the Word of God Because Scripture is a collection of writings that spans 1 500 years many literary styles are represented and each must be taken into account for the fullest understanding of God's Word Kristie shows you the immense value of studying the Bible literarily that is according to the literary style presented in a particular book chapter or passage In Literarily Kristie will take you through these eight distinct genres Law History Prophecy Poetry Gospels Epistles Wisdom Apocalyptic The Bible is an epic story that God has revealed to us through diverse genres and literary features Its message and method are both meant to transform our hearts Our goal as interpreters isn't to meld the Scriptures into a bland conglomerate but to recognize the multiple forms in which God's Word comes to us In so doing we'll encounter the ongoing story of Jesus's redemption and learn how He calls His people to live in our complex world today

A Girl Like Her Bishop Bassey Effiong Orok, 2012-01-12 Life is all about choices The ones you get to make and the ones you don't You can choose the friends you have and the people you want to employ You can choose your battles but you can't always choose your enemies You can choose your goals and your dreams although these things don't always choose you You can choose what you want to eat and where you want to shop There is however three choices you can't make You can't choose

who you fall in love with or who falls in love with you You also cant choose your family How well do you know your closest friends or people you choose to have in your life Your lovers Your own family The people who claim to be your friends Even the people youve just met Would you do to them what they would try to do to you Would you try to take their boyfriends Or would you simply talk about them behind their back Theres a token few who are loyal in that world What will your friends do for you when the chips are down This is where Lexi lives right in the middle of her chaotic events Everything that happens always begins with something she says knows or does often with disastrous results She sees everything through her purple tinted sunglasses What will happen when she loses the glasses and starts seeing things for what they really are In a strangely humorous way live the ups and downs of her and her friends romances Will she choose the nice guy or the bad boy Will the nice guy become a jerk or will the bad boy become nice How do people react to situations they arent used to being in Welcome to Lexis world Her life is sent through a wringer with Church Boy Blaine her rock star boyfriend Izzy a famous dad she didnt know she had and everyone else in her life People arent ever what they seem to be Just look at the chapter titles That should be enough to want to know more I would call this tale a twisted dark romance with a keen sense of humor Something like a warped modern day Romeo and Juliet with all the modern problems Sorry no vampires here Once you start reading you probably wont even miss them There are plenty of bloodsuckers of a different kind Careful you might even learn something If nothing else youll get sucked into these colorful and sometimes unlikable peoples lives Its all about love and hate and the thin line in between If youre the least bit curious open it to any page and read Youll want to keep reading to find out what happens Youll get addicted youll want more I hope
