Hisrich Entrepreneurship :

Entrepreneurship Robert D. Hisrich, Michael P. Peters, 2002 *Entrepreneurship* by Robert Hisrich Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating planning and implementing a new venture. Students are exposed to detailed descriptions of how to embark on a new venture in a logical manner. Comprehensive cases at the end of the text have been hand picked by the authors to go hand in hand with chapter concepts. The superb author team of Hisrich Peters and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today's entrepreneurial challenges. From Bob Hisrich's expertise in global entrepreneurship to Mike Peter's background as a both a real life entrepreneur and academic to Dean Shepherd's current research on cognition and entrepreneurial mindset, this book balances the crucial line between modern theory and practice. International

Entrepreneurship Robert D. Hisrich, 2010 Combining robust narrative with a wide variety of interesting cases. *International Entrepreneurship: Starting, Developing and Managing a Global Venture* focuses on the need for every entrepreneur to at least consider entering the global market in today's hypercompetitive world. As an ever growing number of countries become market oriented and developed, the distinction between foreign and domestic markets is becoming less pronounced and entrepreneurs increasingly need to develop skills to identify opportunities and then manage these opportunities on a global basis. *International Entrepreneurship* is an ideal resource for students, professors, government officials and practitioners throughout the world who are interested in this vital growing area. **Key Features:** Includes chapter opening international scenarios that feature a global entrepreneur or a global entrepreneurial venture to set the scene for the issues that follow. Demonstrates global entrepreneurial issues through real life cases from countries throughout the world. Draws content from a wide variety of disciplines including anthropology, economics, geography, history, jurisprudence and language. Includes chapter ending class exercises, discussion questions and suggestions for additional reading to provide readers with hands on learning opportunities and avenues for future research. **Helpful Teaching Ancillaries:** Instructor Resources are available on a password protected website at <http://www.sagepub.com/hisrichinstr>. These resources include chapter outlines, end of chapter discussions, chapter exercises and teaching notes. *International Entrepreneurship* is appropriate as a core text for courses such as Global Entrepreneurship or International Entrepreneurship or as a supplement in upper level undergraduate and MBA courses in Entrepreneurship, New Venture Management and Entrepreneurship Strategy. In addition, it can be used as an ancillary text in International Business and International Management courses. **Entrepreneurship** Robert D.

Entrepreneurship Robert D. Hisrich, Michael P. Peters, 1997-09. **Corporate Entrepreneurship: How to Create a Thriving Entrepreneurial Spirit Throughout Your Company** Robert D. Hisrich, Claudine Kearney, 2011-09-16. Beat the competition with INTERNAL INNOVATION. If 3M's corporate leadership hadn't given researcher Art Fry a creative outlet, the world would never have seen the Post-it Note. Corporate entrepreneurs, intrapreneurs, mavericks. No matter what name they go by, these innovators are the pioneering forces within an organization who spark new enterprises, products, services and processes to combat increased global competition. Corporate Entrepreneurship shows you how to develop and grow your organization by designing the culture, structure, strategies and policies that encourage and support internal entrepreneurial ventures. Bestselling author and world renowned entrepreneur Robert Hisrich teams up with global management expert Claudine Kearney to provide action plans, techniques and insights for establishing an organizational culture that allows intrapreneurs to develop the entrepreneurial ventures that will secure value and generate new growth in your company. Every day, globalization and technological advancements continue to put more of your competitors within reach of your customers. In order for your company to stay attractive and thrive, you need the proven tools and tactics in this book to identify, evaluate and fund venture opportunities. Recognize bright corporate entrepreneurs and create their compensation plans. Create business plans that avoid failure, optimize success and develop and sustain corporate venturing. Manage the internal politics of venturing effectively. Implement corporate venturing into your organization. Hisrich uses illustrative examples from his experience consulting for such global companies as 3M, Alcoa, Westinghouse, Citi and many others. Through informative, well-researched case studies, he demonstrates how his concepts help companies prosper over the long run, gain market share and stay on the cutting edge of their potential. If your employees aren't innovating, your company is losing its competitive edge. Use Corporate

Entrepreneurship to give your mavericks what they need to keep your company on top all over the world **Technology Entrepreneurship** Thomas N. Duening, Robert A. Hisrich, Michael A. Lechter, 2014-08-12 The focus of this book is on technology ventures how they start operate and sometimes exit profitably In short it covers all the elements required to launch a successful technology company including discussion of cutting edge trends such as entrepreneurial method and lean startup emphasis on the ideation process and development of an effective business plan coverage of product and market development intellectual property structuring your venture raising capital sales and marketing people management and even strategies for exiting your venture This is not another armchair book about entrepreneurship It s a working guide for engineers and scientists who want to actually be entrepreneurs An intense focus on product design and development with customers and markets in mind Extensive discussion of intellectual property development management and protection Potent insights into marketing and selling technology products to the global marketplace Techniques for forecasting financials raising funds and establishing venture valuation Best practices in venture leadership and managing growth Overview of various exit strategies and how to prepare the venture for exit **Advanced Introduction to Entrepreneurship** Robert D Hisrich, 2014-09-26 Elgar Advanced Introductions are stimulating and thoughtful introductions to major fields in the social sciences business and law expertly written by some of the world s leading scholars Designed to be accessible yet rigorous they offer concise an *Entrepreneurship* Norris F. Krueger, 2002 This new collection provides a much needed retrospective view of the key academic work published in this area The papers here highlight the importance of studying entrepreneurship from a wide range of perspectives including research that derives from economics history sociology psychology and from different business disciplinary bases such as marketing finance and strategy The overall focus in this set is on entrepreneurial activity rather than specifically small or family owned business and favours research articles over those that deal purely with practice **Entrepreneurship** Robert Hisrich, Michael Peters, Dean Shepherd, 2006-10-06 Entrepreneurship by Robert Hisrich Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating planning and implementing a new venture Students are exposed to detailed descriptions of how to embark on a new venture in a logical manner Comprehensive cases at the end of the text have been hand picked by the authors to go hand in hand with chapter concepts The superb author team of Hisrich Peters and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today s entrepreneurial challenges From Bob Hisrich s expertise in global entrepreneurship to Mike Peter s background as a both a real life entrepreneur and academic to Dean Shepherd s current research on cognition and entrepreneurial mindset this book balances the crucial line between modern theory and practice **Technology Entrepreneurship** Thomas N. Hisrich Entrepreneurship Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hisrich Entrepreneurship has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hisrich Entrepreneurship has opened up a world of possibilities. Downloading Hisrich Entrepreneurship provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hisrich Entrepreneurship has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hisrich Entrepreneurship . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hisrich Entrepreneurship . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hisrich Entrepreneurship , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hisrich Entrepreneurship has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
