maps Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918 1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia *Historical Dictionary of Modern Coups d'état* John J. Chin, Joseph Wright, David B. Carter, 2022-12-13 For readers interested in international relations politics and global issues Library Journal Starred Review The Historical Dictionary of Modern Coups d tat surveys the history of coups d tat in the post World War II period The term modern in the title therefore demarcates the period since January 1946 This book documents over 582 coup attempts that have occurred in 108 different countries worldwide over a period of 75 years Historical Dictionary of Modern Coups d tat contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 400 cross referenced dictionary entries This book is an excellent resource for students and researchers **Historical Dictionary of Austria** Paula Sutter Fichtner, 2009-06-11 Austrians today often seem to believe that they have two histories One is their republican present the other the centuries that their forebears spent as part of the multi ethnic Habsburg Empire Contemporary Austria is a fixture among Europe s democracies Yet it did not achieve this state easily World War I the unification with Germany in 1938 and World War II were catastrophes for Austria In 1995 it became part of the European Union and its government culture and egalitarian economy are far cries from the monarchical and highly stratified society of the old Empire The second edition of the Historical Dictionary of Austria has been thoroughly updated and greatly expanded Through its chronology introductory essay appendix bibliography and hundreds of cross referenced dictionary entries greater attention has been given to foreign affairs economic institutions and policies social issues religion and politics **Historical Dictionary of Marxism** Elliott Johnson, David Walker, Daniel Gray, 2014-09-09 The second edition of the Historical Dictionary of Marxism covers of the basics of Karl Marx s thought the philosophical contributions of later Marxist theorists and the extensive real world political organizations and structures his work inspired that is the myriad political parties organizations countries and leaders who subscribed to Marxism as a creed This text includes a chronology an introductory essay and an

extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities both thinkers and doers political parties and movements and major communist or ex communist countries This book is an excellent access point for students researchers and anyone wanting to know more about Marxism *Historical Dictionary of Albania* Robert Elsie,2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it s a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the *Historical Dictionary of Albania* relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **Historical Dictionary of the Netherlands** Joop W. Koopmans,2015-11-05 The Kingdom of the Netherlands is a small but heavily populated country with almost 17 million inhabitants It is one of the last kingdoms in Europe and in 2015 it celebrated its 200 years anniversary The Netherlands became a kingdom after the Napoleonic era During this period it was transformed into a centralized state Before those years it had been one of few republics in Europe for about two centuries That state was a confederacy which emerged in the 1580s during its independence struggle against the Spanish Habsburgs Although the present state is still monarchical the Netherlands functions as a modern constitutional democracy in which the king s position is almost comparable with a ceremonial presidency The majority of the Dutch population however appreciates the hereditary political presence of the House of Orange Nassau regarding this dynasty as a symbol of national unity and connection with the country s past This third edition of *Historical Dictionary of the Netherlands* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Netherlands **Historical Dictionary of Skiing** E. John B. Allen,2012 Skiing is one of the oldest modes of transportation known predating the wheel with dated artifacts to prove its pedigree Skiing for sport however did not become common until about 150 years ago The first Winter Olympic Games held in Chamonix France in 1924 were the first to introduce skiing as a competition Events were held in both ski jumping and cross country skiing With advances in technology and increased leisure time the popularity of skiing as a sport has risen exponentially since it was first introduced The *Historical Dictionary of Skiing* relates the history of the sport through a comprehensive alphabetical dictionary with detailed cross referenced entries on key figures places competitions and governing bodies within the sport Author E John B Allen

introduces the reader to the history of skiing through a detailed chronology an introductory essay appendixes and an extensive bibliography This book is an excellent access point for researchers students and anyone interested in the history of skiing *Historical Dictionary of Ireland* Frank A. Biletz,2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland Historical Dictionary of Croatia Robert Stallaerts,2009-12-22 Croatia a former republic of Yugoslavia has been a self declared independent state since July 25 1991 To its own people however it is a much older country that is finally getting another chance to forge a nation The Croats trace their roots back many centuries and the depth of this resurgent nationalism helps explain why Yugoslavia split as it did and where it did As Croatia and its people try to make a success of their new state they can take hope in the notable progress that has already been made in regards to its economic restructuring democratization and a rapprochement with their neighbors and Europe more broadly The third edition of the Historical Dictionary of Croatia relates the history of this country through a detailed chronology an introduction a bibliography and cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **Historical Dictionary of Kosovo** Robert Elsie,2010-11-15 As the seventh and probably last state to arise from the ruins of the former Yugoslavia Kosovo is the newest country in Europe For centuries Kosovo also known as Kosova was part of the Ottoman Empire and for most of the 20th century it was a province of what was once Yugoslavia After the military conflict in 1998 1999 and a period of administration by the United Nations Kosovo declared its independence from Serbia on February 17 2008 Focusing not only on Kosovo s turbulent recent years the second edition of the Historical Dictionary of Kosovo also relates the country s rich culture and long history This is done through a chronology an introductory essay an extensive bibliography and over 400 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets This book is an excellent access point for students researchers and anyone wanting to know more about Kosovo Historical Dictionary of Denmark Alastair H. Thomas,2016-07-26 Denmark has a millennium long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century Modern Denmark

leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of Historical Dictionary of Denmark contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark Historical Dictionary of Estonia Toivo Miljan,2015-05-21 Estonia is a small European Union country population 1 3 million but physically the size of Netherlands and Switzerland at the historic interface of East and West Europe and Russia free from Soviet occupation only for twenty five years Estonia boasts many notable achievements in the past has one of the most advanced economies in the region It has made impressive progress politically having shed a half century of communist domination and shifted to democracy making it a model for other transitional states It is at the forefront of Internet services its secure digital ID cards are used for all interactions with government agencies for voting at elections and among government agencies as well as in private banking This second edition of Historical Dictionary of Estonia covers its history through a chronology an introductory essay glossary appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Estonia Historical Dictionary of Ukraine Ivan Katchanovski,Zenon E. Kohut,Bohdan Y. Nebesio,Myroslav Yurkevich,2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history

and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

Historical Dictionary of Armenia Rouben Paul Adalian, 2010-05-13 There are two Armenias the current Republic of Armenia and historic Armenia The modern state dates from the early 20th century Historic Armenia was part of the ancient world and expired in the Middle Ages Its people however survived and from its residue recreated a new country The history of the Armenians is the story of how an ancient people endured into modern times and how its culture evolved from one conceived under the influence of Mesopotamia to one redefined by the civilization of Europe The second edition of the Historical Dictionary of Armenia relates the turbulent past of this persistent country through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on significant persons events places organizations and other aspects of Armenian history from the earliest times to the present

Historical Dictionary of Iceland Sverrir Jakobsson, Gudmundur Halfdanarson, 2016-02-15 Iceland demonstrates most of the characteristics of a modern liberal democracy It has maintained political stability through a democratic process which enjoys universal legitimacy Rapid economic modernization has also secured its inhabitants one of the highest living standards in the world and a comprehensive and highly developed health system has ensured them longevity and one of the lowest rates of infant mortality in the world Icelanders face however formidable challenges in maintaining their status as an independent nation First the Icelandic economy is fairly fragile as overexploitation threatens the fish stocks that remain among Iceland's principal economic resources Second the country is rich in unused energy resources because many of its rivers are still not harnessed and geothermal power is abundant But using these resources will necessarily damage the pristine nature of the country forcing the politicians and the Icelandic public to choose between environmental protection and industrial expansion Finally it remains to be seen if a country with just over 329 740 inhabitants will be able to manage its foreign relations in a complex and constantly changing world This third edition of Historical Dictionary of Iceland contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Iceland

Historical Dictionary of Moldova Andrei Brezianu, Vlad Spânu, 2007-04-23 The Republic of Moldova claims a European lineage reaching back in time long before its 14th century accession to statehood In the 15th century it managed against all odds to avoid being conquered by Islam and albeit an intermittent vassal after 1485 it maintained its autonomy and was never turned into a province of the Ottoman Empire After this period however Moldova would not be so fortunate as it altered between Russian Romanian and Soviet control until it finally gained its independence in 1991 from the Soviet Union The second edition of the Historical Dictionary of Moldova through its chronology introduction appendixes maps bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects traces the

history of this small but densely populated country providing a compass for the direction it is heading
