Resources in Education ,2001-10 **Doing History** Linda S. Levstik,Keith C. Barton,2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate *Primary Education, Popular Educator* ,1926

Research in Education ,1970-12 *National Educational Technology Standards for Teachers* International Society for Technology in Education,2002 Standards were developed to guide educational leaders in recognizing and addressing the essential conditions for effective use of technology to support P 12 education **The United States Catalog** ,1950

Southern African Books in Print ,1994 **Teaching With Text-Based Questions** Kevin Thomas Smith,2014-03-14 Help your students navigate complex texts in history social studies and English language arts This book shows you how to use a key tool text based questions to build students literacy and critical thinking skills and meet the Common Core State Standards You ll learn how to ask text based questions about different types of nonfiction and visual texts including primary and secondary sources maps charts and paintings You ll also get ideas for teaching students to examine point of view write analytical responses compare texts cite textual evidence and pose their own high level questions The book is filled with examples that you can use immediately or modify as needed Each chapter ends with a reflection section to help you adapt the ideas to your own classroom What s Inside Helpful information on teaching different types of nonfiction texts including literary nonfiction informational texts primary and secondary sources and visual texts Ideas for locating primary sources Questions students should ask about every text Techniques for soliciting higher order questions from students Ways to get students to think critically about the relationships between texts Strategies to help students integrate information from different types of sources a skill that will help students respond to performance tasks on the PARCC and SBAC assessments and DBQs on AP exams Tips for teaching students to write good responses to text based questions including how to cite sources and incorporate point of view Ideas for using rubrics and peer grading to evaluate students responses Connections to the informational reading standards of the Common Core State Standards for English Language Arts for grades 3 12 and of the Common Core State Standards for Literacy in History Social Studies Science and Technical Subjects **Canadian Books in Print.
