Chinese and Japanese Films on the Second World War King-fai Tam, Timothy Y. Tsu, Sandra Wilson, 2014-10-24 This book examines representations of the Second World War in postwar Chinese and Japanese cinema

Drawing on a wide range of scholarly disciplines and analysing a wide range of films it demonstrates the potential of war movies for understanding contemporary China and Japan It shows how the war is remembered in both countries including the demonisation of Japanese soldiers in postwar socialist era Chinese movies and the pervasive sense of victimhood in Japanese memories of the war However it also shows how some Chinese directors were experimenting with alternatives interpretations of the war from as early as the 1950s and how despite the resurgence of nationalism in Japan since the 1980s the production of Japanese movies critical of the war has continued

The Suppressed History of American Banking Xaviant Haze, 2016-09-15 Reveals how the Rothschild Banking Dynasty fomented war and assassination attempts on 4 presidents in order to create the Federal Reserve Bank Explains how the Rothschild family began the War of 1812 because Congress failed to renew a 20 year charter for their Central Bank as well as how the ensuing debt of the war forced Congress to renew the charter Details Andrew Jackson's anti bank presidential campaigns his war on Rothschild agents within the government and his successful defeat of the Central Bank Reveals how the Rothschilds spurred the Civil War and were behind the assassination of Lincoln In this startling investigation into the suppressed history of America in the 1800s Xaviant Haze reveals how the powerful Rothschild banking family and the Central Banking System now known as the Federal Reserve Bank provide a continuous thread of connection between the War of 1812 the Civil War the financial crises of the 1800s and assassination attempts on Presidents Jackson and Lincoln The author reveals how the War of 1812 began after Congress failed to renew a 20 year charter for the Central Bank After the war the ensuing debt forced Congress to grant the central banking scheme another 20 year charter The author explains how this spurred General Andrew Jackson fed up with the central bank system and Nathan Rothschild's control of Congress to enter politics and become president in 1828 Citing the financial crises engineered by the banks Jackson spent his first term weeding out Rothschild agents from the government After being re-elected to a 2nd term with the slogan Jackson and No Bank he became the only president to ever pay off the national debt When the Central Bank's charter came up for renewal in 1836 he successfully rallied Congress to vote against it The author explains how after failing to regain their power politically the Rothschilds plunged the country into Civil War He shows how Lincoln created a system allowing the U S to furnish its own

money without need for a Central Bank and how this led to his assassination by a Rothschild agent With Lincoln out of the picture the Rothschilds were able to wipe out his prosperous monetary system which plunged the country into high unemployment and recession and laid the foundation for the later formation of the Federal Reserve Bank a banking scheme still in place in America today *The Ideologies of Theory: The syntax of history* Fredric Jameson,1988 Jameson has had an enormous influence perhaps greater than that of any other single figure of any nationality on the theorization of the postmodern in China Wikipedia *Modern History of Hawai'i* Ann Rayson,2004 This edition of the 9th grade textbook Modern Hawaiian History has been updated to include the years from 1994 to 2004 The new material features discussion provoking commentary on sovereignty and other contemporary issues and color photos have been added throughout
