- Matilda fought with Stephen for 19 years...

- Henry II was now viewed as the 'overlord' by the English settlers and Irish leaders in Ireland.
- He used pre-existing fortifications to his advantage and built new ones.
- Many investors aided the development of Dublin as a centre of trade and commerce.

During Henry I's reign, what we now call France was divided into a number of areas, all with different rulers. France itself was one of these areas, and was a big and powerful region ruled by King Louis VII. He often quarrelled with Henry, and other Henry's own sons rebelled against him in 1173, Louis joined in.

- As Henry II owned so much land, he would often travel back and forth across the English channel to defend his territories and ensure they were not under threat.
