After listening to his speech people would follow him like crazy and believe whatever he said. Hitler succeeded in bridging the gap between the lower and middle classes and bringing them to the same level. Knowledge of the truth is a wise man's cipher for you shall know the truth and the truth will make you free. All the evidence points towards the facts that had the truth been taught in the schools of yesterday there would have not been a need for the great statement to be recorded in literature named after the son of man Yeheshua. You shall know the truth and the truth shall set you free. The Asiatic Blackmen, women and children have undergone everything that could have been imposed upon them yet they retained their morals. You may compare the acts of the lamb's wool hair woman of the US
