Divine Knowledge Brian Baumann, 2008-02-15 In an original and compelling examination of traditional mathematics this comprehensive study of the anonymous Manual of Mongolian Astrology and Divination published by A Mostaert in 1969 takes on the fundamental problem of the post enlightenment categorization of knowledge in particular the inherently problematic realms of religion and science as well as their subsets medicine ritual and magic In the process of elucidating the rhetoric and logic shaping this manual the author reveals not only the intertwined intellectual history of Eurasia from Greece to China but also dismantles many of the discourses that have shaped its modern interpretations

Raising Hell, Living Well Jessica Elefante, 2023-10-10 Part cultural criticism part rueful confessional a reformed brand strategist brings to light the impact of influence on us and our society and offers an escape in this ironically persuasive case for not being so easily influenced anymore A weirdly practical approach to some ancient questions that have become trickier lately Jaron Lanier bestselling author of Ten Arguments for Deleting Your Social Media Accounts Right Now We live in a world that is under the influence Our lives are being choreographed by forces that want something from us Everything from ingrained family values to mind altering algorithms create our foundations warp how we see the world manipulate our decisions and dictate our beliefs Yet rarely do we question these everyday influences of our modern times even as we go further down the path of unwell unhappy and unhinged A high spirited exploration through the troublesome influences of our world Raising Hell Living Well Jessica Elefante s eye opening debut follows one bullshit artist s journey from small time salesperson to award winning corporate strategist to founder of the digital wellbeing movement Folk Rebellion in coming to terms with how she was wielding influence and the forces she was under herself With whip smart writing and wry humor Elefante s collection of essays is a head trip through her misadventures From explaining productivity as a symptom of the influence of capitalism to how the wellness industry makes us feel more unwell or our unquestioning participation in oversharing optimization and instant gratification she invites us to reexamine our world our pasts and ourselves through the lens of influence Now a reformed brand strategist Elefante lays bare her own culpability sharing what she learned and what

she got wrong She offers a new take on intentional living and provides a simple practice to deconstruct how the powers that be are attempting to modify our behaviors Before you know it you ll be questioning everything from how you take your coffee to how our social institutions are structured And you ll learn how to live free from the influences around us including Elefante herself The much needed subversive voice to demystify these times Elefante will make you angry make you laugh and make you think about how you re really living Unpretentious sharply observed and devil hearted Raising Hell Living Well holds out a hand to help you climb out from under the influence *The Hero, the Protector, the Healer, and the Lover* Carol Brannin,2020-08-24 At a graduation ceremony at a large Midwestern high school in 1964 three fine young men from different walks of life and a kind young woman formed a friendship that would last for many years They loved and cared for one another through hardships and shared their strengths and hearts Gene Sandusky popular and admired by all He was gentle and sensitive yet exceptionally charismatic Gene was a football quarterback and magic on the basketball court He was class president graduation speaker and recipient of scholarships and awards To Carol he was the kindest most handsome man but somewhat sad Gene was highly respected and he was the hero Mike McVary brilliant athletic and wealthy He could have gone to the best college but he chose to go to Vietnam instead He was generous to a fault and helped veterans and his friends although there were some things his money couldn t buy He was extremely protective especially of Carol Mike had an infectious pleasant personality and he was the protector Carol Sullivan kind pretty and smart Alongside Mike she was considered rebellious and denied honors and scholarships She was a generous girl who gave of her heart When her friends were ill or injured she knew how to help and heal them She carried many secrets locked within her heart Carol was very strong and she was the healer John Kelley abused as a child and handicapped but he always smiled His three friends tried to make his life easier Even though growing up in extreme poverty John had a sweet nature and loved everyone No matter how many times he was knocked down he always got up and tried again John was a survivor and he was the lover [A Day Like Any Other](#) Barbara Bourke,2024-10-27 For Madison picking up the pieces of her life and finding a small apartment across from a picturesque park was a first step and a blessing Her morning walk through the park followed by a jog along the beach was like an elixir for her body and mind However on this early misty morning what she would find was just the beginning a spark that would set off a far reaching train of events that would change her life forever and find love along the way It is intriguing how one incident could pilot her life into a spin how one instant one quick decision could cause such a ripple effect The wicked web of deceit lies and murder will have to be untangled eventually one step at a time In the end everyone will get what they deserve Her day started like any other but how it would end was going to be a different story entirely **How to be an MP** Paul Flynn,2012-01-12 Best summer reads 2015 John Crace Guardian Not for everyone the title of Prime Minister Foreign Secretary or other such hallowed callings the vast majority of the House of Commons is made up of backbenchers the power behind the constitutionally elected throne Here is a guide for anyone and everyone fascinated by the quirks and
