Gospel J.D. Greear,2011-10-01 Could the gospel be lost in evangelical churches In this book J D Greear shows how moralism and legalism have often eclipsed the gospel even in conservative churches Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God s gracious acceptance of us in Christ The gospel is the power of God and the only true source of joy freedom radical generosity and audacious faith The gospel produces in us what religion never could a heart that desires God The book s core is a gospel prayer by which you can saturate yourself in the gospel daily Dwelling on the gospel will release in you new depths of passion for God and take you to new heights of obedience to Him Gospel gives you an applicable exciting vision of how God will use you to bring His healing to the world

D. Greear,2013-02-01 Gospel Revolution guides students to a deeper understanding of the Gospel its power and its implications The result A disciple s life defined by selflessness discipline generosity service and love In other words a true revolution **Gospel** J.D. Greear,2019-06-01 The gospel dwells at the core of Christianity What God has done for us in Christ is the entire basis for our faith our hope our love our lives Yet too often in seeking to grow as a Christian we leave the gospel back at the starting line as if it s something we must grow beyond as if going deeper requires moving on from it Pastor and author J D Greear s Not God Enough Stop Asking Jesus into Your Heart Gospel first ever devotional book is a 90 day reminder that we never move past the gospel it is the beginning middle and end of what God has given to save us and make us more like Christ Only by renewing our minds in God s absolute acceptance of us through the cross are we enabled to truly desire and live out what religion can only impose against our will It s how the need to keep proving ourselves worthy to Him becomes supplanted by a heart that simply purely loves Him Packed with Scripture and extra study features as well as an ongoing Gospel Prayer emphasis the Gospel Devotional takes you back to the roots of Christ s work on your behalf so you can bear fruit for a lifetime **Legacy from Christ** Robert Davis Smart,2017-03-29 How shall we disciple those past sixty years old This book is for those in their final

season of spiritual formation Dr Bob Smart gives Gods perspective on the treasury Christ has given Christians in their final lap In this book the reader will discover how to give their message in the form of benedictions final wills and testaments The Christian will learn how to come to the river of death and how to cross over it in a way that says to die is gain There are many touching stories to encourage the Christian to finish well     Embracing Obscurity Anonymous,2012-10 Argues for a life based on humility service and sacrifice instead of the accepted worldview of a life valuing fame and recognition     **Life on Mission** Dustin Willis,Aaron Coe,2014-08-26 If you had a ladder made of splinters would you stand on it Unfortunately the mission practices of most churches stand on weak foundations Life on Mission gives gospel centered biblical practical foundations for how missions was meant to be an everyone together effort Life on Mission is a thorough yet simple guide for everyday missionaries electricians lawyers church planters students etc that equips them with truths and practices for living out the gospel within their own community Adaptable to any context Life on Mission functions great as both an individual and small group study Threaded with engaging stories and probing reflection questions Life on Mission will help you and your community take bold steps to living life on mission     Truth Matters Andreas J. Köstenberger,Darrell L. Bock,Joshua D. Chatraw,2014 Easy to read yet loaded with meat and substance this book is a level headed reaction to those who equate Christian faith with blind faith even those whose subtle or stated goal is to separate students from their religious traditions

Discipleship and the Evangelical Church Jesse Hamilton,2022-03-11 The Evangelical Protestant church is in the midst of a crisis but the causes might be different than we think In this book Jesse Hamilton argues that the reason for the church s growing disunity moral and cultural confusion and general lack of passion and power is its perpetual neglect of the fundamentals of discipleship what it truly means to follow Jesus Our only hope for change is to recalibrate our hearts and lives on the call of Christ and the New Testament distinctives of absolute surrender deep and abiding holiness the work of prayer and engagement with the lost and needy of the world all the things that the modern church has so often struggled to commit to But first the church must come to a biblical understanding of what these things actually are and how we must pursue them Combining theological rigor with clarity of thought and simplicity of style Discipleship and the Evangelical Church aims to reach modern Christians with the urgent message of the hour which is nothing other than the timeless call of Christ to follow him     Lay It Down Bill Tell,2015-07-15 There s Good News for the Weary Call it burnout a spiritual breakdown or a personal crisis the toll of Bill Tell s decades of successful ministry finally caught up with him Incapacitated and depressed he found that the road to recovery began at the cross To his delight healing opened new freedoms as he embraced the gospel in new ways Lay It Down Living in the Freedom of the Gospel is a bold declaration of the overwhelming grace of God More than merely saving us in our sin by grace God delivers us from it making us new creations and treating us accordingly no matter what For a generation of Christians who have learned a gospel of performance and striving Lay It Down offers the good news of the grace that is already ours in Christ     **Gospel-Centered Idolatry** R L

Coursey,2022-10-18 Thomas Chalmers in his classic sermon entitled The Expulsive Power of a New Affection correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature

Laughter and Other Gifts of God Gordon Kainer,2013-12-03 Laughter and Other Gifts of God shows how essential it is to understand the source and significance of laughter humor and joy The author offers compelling reasons why these dynamic qualities need to be motivated and governed by God's love and grace Discover how laughter is a valuable reflection of God Himself It is a potent force that stirs you to see another side of things It may also nudge you toward a new understanding of God and why the most wasted day is the one in which you haven't laughed The book uses Scripture scientific research and humorous stories to answer significant questions Why do we laugh What does our laughter say about us The book demonstrates laughter is not an innocent neutral or impartial activity but one with an agenda Learn how your laughter and sense of humor usually reflect your innermost thoughts and feelings Find out how a healthy lifestyle includes laughter that by walking with Jesus you can experience joy at every stage of your life *Stop Asking Jesus Into Your Heart* J.D.

Greear,2013-02-01 If there were a Guinness Book of World Records entry for amount of times having prayed the sinner's prayer I'm pretty sure I'd be a top contender says pastor and author J D Greear He struggled for many years to gain an assurance of salvation and eventually learned he was not alone Lack of assurance is epidemic among evangelical Christians

In *Stop Asking Jesus Into Your Heart* J D shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical but they are sometimes misleading. The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

**Building Spiritual Habits in the Home** Chris Pappalardo, Clayton Greene, 2025-01-07 From good intentions to actual practice: simple spiritual habits for your home. We want our homes to be blessings, refuges, places of vibrant faith. And we want our love for Jesus to be discovered and developed in our children. But many of us feel like we're just not cutting it. Maybe you've read books, listened to podcasts, or tried different life hacks only to feel defeated. Your attempts have fallen flat or fizzled out. In *Building Spiritual Habits in the Home*, entrepreneurs and dads Chris Pappalardo and Clayton Greene show how that can change. Chris and Clayton share the six key shifts that translate good intentions into actual practice. They reveal how their homes changed and how yours can too. Looking to the wisdom of Scripture, these dads teach you how to apply lasting faith practices to your family, your home, your life. Are you ready? With just six simple shifts to your spiritual habits, you can develop a spiritual life that will last, helping you and your children and your neighbors and your co-workers engage with God and each other.

**Above All** J.D. Greear, 2019-06-01 Is gospel Christianity dead? Pundits are writing the obituary of historic orthodox Christianity, but pastor and author J D Greear's *Gospel Stop Asking Jesus into Your Heart* believes the postmortems are premature. Jesus promised to build his church. He said that the gates of hell would not prevail against it. The church is not going away. Along with this promise, Jesus gave clear instructions for how the church would prevail. He promised to build it on the rock of the gospel. The most pressing need for Christianity today is not a new strategy. It is not an updated message. It is a return to keeping the gospel above all.

*Forward* Ronnie Floyd, 2015-06-01 Forward leaders are missing in action. Where are they today? Leaders in the future must rise and lead people forward. They have to lead so high above the fray they will not stoop to littleness in their thinking and conduct. They have to lead so big they will not settle for just leading a few. They have to lead so deep they will not be tossed and turned as they ride the tumultuous waters of leadership. Author Ronnie Floyd is calling for a different kind of leader to rise up for the future. Forward is about seven distinguishing marks for future leaders. Who are these future leaders? Anyone who leads anything in the future. Forward is a call. Forward is a process. Forward is a direction. Forward is a change.
