World History - Teacher Guide James P. Stobaugh, 2012-03-01 This convenient teacher's guide is all a parent or teacher needs to easily grade the 12th grade student assignments for World History Observations Assessments from Creation to Today. Assignments with answers, learning objectives, grading criteria, and short essay questions are included. This course is designed for a student to practice independent learning. The guide will assist teachers by offering 34 chapters for 34 weeks of study. Chapters include 5 lessons taking approximately 30 minutes each. The final lesson of the week is an exam covering the week's instruction. Student questions are organized in the back for easy use in testing and review. Teachers, parents, or students can grade assignments daily or weekly. As the teacher, you will enjoy partnering with your student as he or she processes world history while developing or strengthening a Christian world view.

SCM Studyguide Church History Stephen Spencer, 2013-08-30 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century. Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed. The intended readership will be those training for ministry in English speaking churches so the studyguide will concentrate on those aspects of this subject of most relevance to this group. This means there will be greater attention to developments in the West than in the East, especially in later centuries and to topics such as the nature of ministry, the sacraments, places of worship, authority in the church, and mission. These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book. Each chapter will also contain a specific case study presenting extracts of some key documents with notes, commentary, and questions for discussion to allow readers to develop skills in historical research. General discussion questions and reading lists will be provided at the end of each chapter. The final chapter will provide guidance for the study of the history of the student's own church and community.
