Information Technology Project Management Cd Rom:

Information Technology Management Jay Liebowitz, 1998-07-27 Mainly based on the author's personal experiences with a variety of organizations this succinct book presents short cases anecdotes and vignettes describing the management of information technology Information Technology Management includes numerous case studies primarily focusing on business industry and government systems This singular resource serves expert systems managers and information technology managers and developers Although the material emphasizes those cases involving management relating to expert systems technology the reader can replace the term expert system with information system technology in almost all the case studies as many of the lessons generally hold true for information systems **Read Me First!** Sun Technical Publications, 2003 bull

The must have reference for every technical writer editor and documentation manager bull Provides all the information you need to document hardware software or other computer products bull Written by award winning documentation experts at Sun Technical Publications Read Me First is the most comprehensive guide to creating documentation that is clear consistent and easy to understand **HIMSS Publications & Multimedia Catalog** HIMSS, *Lifelong Learning for Poverty*

Eradication Wapula N. Raditloaneng, Morgen Chawawa, 2015-02-23 This book illustrates the meaning and scope of lifelong learning and different types of poverty reduction programs prevalent generally in the African context and particularly in selected communities in Botswana Lifelong learning is important for all stakeholders in poverty reduction to develop a better understanding of the scope and extent of poverty so that they can make informed decisions on best ways of tackling poverty The book succinctly showcases community development and engagement initiatives and experiences from selected African universities and how the interaction of the universities and their respective communities resulted in a major transformation in the lives of poor families through exposure to some engagement strategies that effectively gave them a better future in their fight against poverty This book develops in the reader a better understanding of the dynamics and dilemma of poverty and its negative effects on individuals and communities But it answers the plight of the poor by equipping them with effective and practical tools to transform their lives and take full control of their destiny Provides a conceptual understanding of lifelong learning Describes practical aspects and indicators of poverty and how it requires tackling through a multi sectoral approach Focuses on poverty reduction in all fronts including development of an entrepreneurship mind set
