**Guiding Light** Christopher Schemering,1987 The fully authorized tribute to America's favorite soap opera the longest running drama in broadcast history This collector's guide includes The Backstage Saga A historical overview behind the scenes anecdotes rare photos and fascinating trivia On the Set A typical day of production with photos The Story on Radio 1937 1952 The Story on TV 1952 1987 Story line selected dialogue and photos of the stars Who's Who and Who Was Who Photos and profiles of the cast and the most beloved performers of the past Cast and Production Lists Who played who and when A tribute to Charita Bauer Wallowing in Sex Elana Levine,2007-01-09 A cultural history of sexual content in television shows and TV advertising during the 1970s **The A to Z of Old Time Radio** Robert C. Reinehr,Jon D. Swartz,2010-04-09 The term Old Time Radio refers to the relatively brief period from 1926 when the National Broadcasting Company first began network broadcasting until approximately 1960 when television became the dominant communication medium in the United States During this time radio was as popular and ubiquitous as television is today It was amazingly varied in the types of programming it offered many characters and programs were so popular that virtually everyone was familiar with them Even today recorded versions of these programs are still extremely popular and widely available both from commercial outlets and from hobbyists Behind the production of these programs was a complex technological and financial infrastructure that had to be developed virtually from scratch in a world unaccustomed to the rapid communication and technological marvels that we take for granted today The A to Z of Old Time Radio provides essential facts and information on the Golden Age of Radio This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the radio networks programs directors producers writers actors radio series and radio stations Entries on your favorite shows The Lone Ranger The Shadow Dragnet and Suspense and actors Bob Hope George Burns Gracie Allen and Edgar Bergen will have you jumping from one entry to the next as you relive old favorites and discover hidden treasures from the Golden Age of Radio **Days of Our Lives** Maureen Russell,2015-06-08 On November 8 1965 Days of Our Lives debuted on NBC The show overcame a rocky beginning to become one of the best loved and longest running soap operas on daytime television For 30 years the story of the show's Horton family has been closely followed by a dedicated audience Through extensive research including the first ever examination of the show's archives and interviews with cast members writers producers and production personnel the show's history is told here This reference work provides a complete cast list from the show's debut through 1994 as well as the most comprehensive storyline of the show ever available Also included are family trees of the show's characters tracing the often confusing relationships involved in thirty years of developing roles **Her Stories** Elana Levine,2020-03-06 Since the debut of These Are My Children in 1949 the daytime television soap opera has been foundational to the history of the medium as an economic creative technological social and cultural institution In Her Stories Elana Levine draws on archival research and

her experience as a longtime soap fan to provide an in depth history of the daytime television soap opera as a uniquely gendered cultural form and a central force in the economic and social influence of network television. Closely observing the production, promotion, reception, and narrative strategies of the soaps, Levine examines two intersecting developments: the role soap operas have played in shaping cultural understandings of gender and the rise and fall of broadcast network television as a culture industry. In so doing, she foregrounds how soap operas have revealed changing conceptions of gender and femininity as imagined by and reflected on the television screen. The Family Portraits Emmy Morgan, 2019-05-21

Growing up, Elijah Davis knew he was different. Following his adoption into a new family, he realized he was the wrong gender. After an operation, Elijah became Desir Andersen, although her path wasn't easy. Riddled with abuse and discontent, she eventually landed a role on a popular soap opera and became a daytime diva. Now, it has been a year since Desir's boyfriend was murdered, and she again struggles to make sense of life. She decides to enter the world of film, leaving television behind, but she first revisits memories from her difficult past. She and her white family read journals and letters, forcing them to relive explosive memories and events. Desir remembers how she met her white family, and she gains more insight into her relationship with her black family. She recalls what it was like growing up as an openly gay black kid in 1980s Western Massachusetts. Simultaneously, her life takes another drastic turn when people from her past make an appearance in her present, and they will change her future forever. Historical Dictionary of Old Time Radio Robert C. Reinehr, Jon D. Swartz, 2007-11-12

The term Old Time Radio refers to the relatively brief period from 1926 when the National Broadcasting Company first began network broadcasting until approximately 1960 when television became the dominant communication medium in the United States. During this time, radio was as popular and ubiquitous as television is today. It was amazingly varied in the types of programming it offered; many characters and programs were so popular that virtually everyone was familiar with them. Even today, recorded versions of these programs are still extremely popular and widely available, both from commercial outlets and from hobbyists. Behind the production of these programs was a complex technological and financial infrastructure that had to be developed virtually from scratch in a world unaccustomed to the rapid communication and technological marvels that we take for granted today. The Historical Dictionary of Old Time Radio provides essential facts and information on the Golden Age of Radio. This is accomplished through the use of a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on the radio networks, programs, directors, producers, writers, actors, radio series, and radio stations. Entries on your favorite shows: The Lone Ranger, The Shadow, Dragnet, and Suspense, and actors Bob Hope, George Burns, Gracie Allen, and Edgar Bergen, will have you jumping from one entry to the next as you relive old favorites and discover hidden treasures from the Golden Age of Radio. *Good Housekeeping*, 2002
