This reality is full of wounding chakra imbalances, karma, and illness swept under the rug, dumped into the recesses of the subconscious mind or body, never to be acknowledged again. But there is a place deep inside of you that questions what is real. There is some strong, resonant chord that feels the truth despite being talked out of it. This chord of truth has never gone away despite everyone's best efforts. *How to Become Intuitive* is a groundbreaking, heart-centered, step-by-step guide that teaches the reader to access and trust her first instinct. It illuminates the historical and spiritual control dynamics that have kept humans from trusting their intuition and how to become whole, divine beings able to perceive truth once again. You will learn the hidden reasons you have never fully trusted yourself or been allowed to. You will learn the psychology behind the oddities you have observed and felt. You will understand the battle between good and evil that is taking place before our very eyes, but that most are asleep to. You will also discover the interconnectedness between your subconscious feelings, observations, and experiences and the fifth-dimensional metaphysical translation of such occurrences. Not only will you learn to liberate and heal yourself from all past and present falsehoods that have kept you imprisoned and sick, you will also learn to read yourself and others for the spiritual meaning behind human behavior and appearance, illness, historical events, and supernatural and astrological phenomena that surround us daily.
