

THE CREATIVE HABITS OF MIND WHEEL

HOW TO USE THE CREATIVITY WHEEL

You can do this exercise over a period of time – perhaps looking at one of the *5 Habits of Mind*.

Shade the segment of the circle that best represents your current ability in each *Sub-Habits of Mind*. The levels of ability grow in strength outwards from the centre of the wheel.

For example, as far as being *imaginative* is concerned, you may feel like your ability to use your intuition is just **beginning** whereas you are more **confident** in your ability in *playing with possibilities*. Be honest, reflect carefully and try to think of specific examples of evidence for each sub-habit before you identify your level of ability. Use the blank outer ring of the Creativity Wheel to write down your examples of evidence.

Habits Of The Creative Mind

Himanshu Jain

Habits Of The Creative Mind:
