Characters and Characterization in the Gospel of John Christopher W. Skinner, 2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of

those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years **Soldiers in Luke-Acts** Laurie Brink,2014-03-10 The author of Luke Acts constructs a portrait of the Roman military that relies on a variety of literary stereotypes anticipating that his authorial audience familiar with the stereotypes will bring their experience to bear in the process of more fully characterizing the soldiers Expecting their antipathy Luke upsets his authorial audience s expectations Laurie Brink demonstrates that the soldiers in fact do not wholly live up to their bad reputations Engaging contradicting and transcending the literary stereotypes Luke creates a progressive portrait of the Roman soldier that demonstrates the attitudes and actions of a good disciple and that serves as a critique of the authorial audience s original response Test Talk Glennon Doyle Melton,Amy H. Greene,2023-10-10 Under No Child Left Behind nearly every teacher faces a high stakes balancing act managing the often incompatible responsibilities of teaching students meaningfully or preparing them for standardized tests Through their experiences teaching at a school that struggled to meet state test standards driven by NCLB authors Amy Greene and Glennon Melton discovered a way to raise scores without compromising their strong beliefs about good teaching and learning Their concise and easy to use book Test Talk Integrating Test Preparation Into Reading Workshop includes lesson plans and practice passages as well as sample questions and suggested language to use during lessons This compelling book shows that teachers don t have to choose between best practice teaching and test preparation effective test taking strategies can be integrated into authentic reading instruction The authors demonstrate how to improve performance on tests without resorting to teaching to the test mnemonic devices or other gimmicks Instead they focus on encouraging student readers to explore tests as a specific genre containing unique language format and cues Throughout the book classroom vignettes show how seamlessly one can weave the test genre into reading workshop and connect those specialized skills to more general reading strategies It is an invaluable resource for any teacher who struggles with how to prepare kids for tests without sacrificing real teaching and learning Independent Reading Inside the Box Lisa Donohue,2008 This innovative book shows teachers how to add value authenticity and accountability to independent reading programs and keep the focus on student reading From a reproducible blank template to numerous student samples of the Reading 8 Box the book illustrates how students can use a single page to strengthen and monitor their comprehension language and thinking skills It offers a range of graphic organizers and open response opportunities that help deepen student thinking and response This non intrusive way for teachers to monitor assess and support students focuses on students actively engaging in their reading This remarkable book is committed to helping teachers better understand the needs of their students so that independent reading time is purposeful and directly connected to classroom instruction Publisher s website Handbook of Empirical Literary Studies Donald Kuiken,Arthur M. Jacobs,2021-09-20 This handbook reviews efforts to increase the use of empirical methods in studies of the aesthetic and

social effects of literary reading The reviewed research is expansive including extension of familiar theoretical models to novel domains e g educational settings enlarging empirical efforts within under represented research areas e g child development and broadening the range of applicable quantitative and qualitative methods e g computational stylistics phenomenological methods Especially challenging is articulation of the subtle aesthetic and social effects of literary artefacts e g poetry film Increasingly the complexity of these effects is addressed in multi variate studies including confirmatory factor analysis and structural equation modeling While each chapter touches upon the historical background of a specific research topic two chapters address the area s historical background and guiding philosophical assumptions Taken together the material in this volume provides a systematic introduction to the area for early career professionals while challenging active researchers to develop theoretical frameworks and empirical procedures that match the complexity of their research objectives

Character Studies in the Fourth Gospel Hunt, et al, 2016 Using various narrative approaches and methodologies an international team of forty four Johannine scholars here offers probing essays related to individual characters and group characters in the Gospel of John These essays present fresh perspectives on characters who play a major role in the Gospel Peter Nicodemus the Samaritan woman Thomas and many others but they also examine characters who have never before been the focus of narrative analysis the men of the Samaritan woman the boy with the loaves and fishes Barabbas and more Taken together the essays shed new light on how complex and nuanced many of these characters are even as they stand in the shadow of Jesus Readers of this volume will be challenged to consider the Gospel of John anew

Teaching to Exceed the English Language Arts Common Core State Standards Richard Beach, Amanda Haertling Thein, Allen Webb, 2012-06-25 As the new English Language Arts Common Core State Standards take hold across the United States the need grows for pre service and in service teachers to be ready to develop curriculum and instruction that addresses their requirements This timely thoughtful and comprehensive text directly meets this need It delineates a literacy practices and critical engagement curriculum framework for 6 12 English language arts education that explains and illustrates how the Standards highest and best intentions for student success can be implemented from a critical culturally relevant perspective that is firmly grounded in current literacy learning theory and research The first 6 12 English language arts methods text to be aligned with the Standards this book also addresses their limitations formalist assumptions about literacy learning limited attention to media digital literacies lack of attention to critical literacies and questionable assumptions about linking standards and text complexity to specific grade levels Specific examples of teachers using the literacy practices critical engagement curriculum framework in their classrooms shows how these limitations can be surpassed Features Moves the CCSS framework into a view that literacy is a contextualized social practice Challenges simplistic models that homogenize adolescent learners Adds the important element of critical literacy to English language arts classrooms Provides specific examples of teachers in action implementing these practices Interactive Companion
