Confederation of Free Trade Unions ICFTU and in African unions Springer's life experiences and work reveal the complex nature of black struggles for equality and justice. A strong supporter of both the AFL CIO and the ICFTU, Springer nonetheless recognized that both organizations were fraught with racism, sexism, and ethnocentrism. She also understood that charges of Communism were often used as a way to thwart African American demands for social justice. As an African American, she found herself in the unenviable position of promoting to Africans the ideals of American democracy from which she was excluded from fully enjoying. Richards's biography of Maida Springer uniquely connects pan-Africanism, national and international labor relations, the Cold War, and African American labor women's and civil rights histories. In addition to documenting Springer's role in international labor relations, the biography provides a larger view of a whole range of political leaders and social movements. Maida Springer is a stirring biography that spans the fields of women studies, African American studies, and labor history. **Sale Anderson Galleries, Inc., 1905** **National Municipal Review**, 1920
