

Inherit the Wind
Act 1 Study Guide
Scene 1: page 3-32
Scene 2: page 33-49

Study Guide Directions:

Answer each question in 3-5 sentences using details from the text. Bonus for using appropriate quotes.

How we'll do this:

- Vocabulary will be assigned. Make sure you share your words' definitions with the group. (Notice that *words* is plural and possessive.)
- Skim the scenes before you come to class. Refer to the Allusions and Vocabulary lists as you read.
- Taking parts, we will read Scene 1 fully (dialogue and stage directions!). We may read Scene 2 together.
- We will discuss each question on the Scene 1 study guide, either as a whole class or in small groups. Each person must write his or her own answers; work on these at home to get them done. I do expect the ideas to sound very similar because we discussed them in class.

Questions for Scene 1:

1. Comment on how well the opening (between Howard and Melinda) fulfills its purpose: to introduce the conflict between science and religion.
2. Discuss Rachel. What does she truly believe? How might she affect this trial?
3. Comment on Bert's decision to teach evolution: why did he do it? Is it worth the consequences?
4. Comment on what we know about the townspeople based on their big welcome of Brady and their reaction to the news that Drummond is coming to town.
5. At one point, a hawker cries, "Hot dog!" at the same time Elijah calls, "Bible!" What dramatic effect does this create? Also explain the effect of Hornbeck's choice as a dramatic moment.
6. Explain what Brady means when he says, "What a challenge it is to fit on the old armor again! To test the steel of our Truth against the blasphemies of Science!"
7. Hornbeck says, "Brady came here to find himself a stump to shout from. That's all." Explain.
8. How has the media/visitor invasion affected the town?

Questions for Scene 2:

9. What does the judge think/believe?
10. Which side seems to have a stronger argument/case/lawyer at this point?
11. Drummond asks Rachel, "Can you buy back his respectability by making him a coward?" What does he mean? What does this tell us about Drummond?
12. How could Rachel's testimony affect the case? How could it affect her relationship with Bert?
13. Drummond's comment closes the act. Explain what he means and how this comment reflects on his view of religion.
14. Make predictions: what will happen as the trial begins?
