This one brother, you shall always wear with honor to yourself and credit to the Fraternity.

The Master of the ceremony shall introduce things with these words: Laying first the Omega Psi Phi Fraternity, and the principles upon which it is founded.

Next upon the organization and present law books.

Then, another introduction to the members of the Omega Psi Phi Fraternity.

Number

Each newly initiated member shall have a number, drawn by lot and corresponding to the number of men initiated that day. If four men are initiated, the numbers shall not draw one to four, by which he shall be known to the Fraternity. With it shall go his college numeral, together with his Chapter designation. Example: 3-23-A, 1 representing the number drawn by lot; 23 representing the year the number (worked college or equivalent meaning); "A" representing Alpha Chapter.

Pin

This is the sacred symbol of Omega and the only evidence worn by the members to signify their fraternal affiliation. It shall be worn on the left breast immediately over the heart and displayed in such manner as to herald the world the wearer is a man and true son of Omega. It shall be worn only by the member, his mother, sister, or his fiancée when traveling for the protection it accords. Under no circumstances or conditions shall a member deliver his pin to the keeping or use of any other person or persons than those prescribed, unless he has permission to do so by the Supreme Council of the Fraternity.

Language of the Pin

The official pin of the organization shall contain twenty seven stars four of which must be pearls and must be present on the pin when other stars are used. The four pearls shall be arranged around the upper corners of the pin. Across the center of the pin shall be inscribed the three Greek letters, Omega Psi Phi, above which there shall be a star and below which there shall be a Greek lamp. This pin speaks in a language peculiar to Omega the three Greek letters bespeak the linking of souls & a revealed

3. Progress
4. Trust
5. Justice
6. Honor
7. Liberty

Grip

This is the means of recognition whereby we may know a brother in the darkness of midnight. It must be uniform and as simple, yet distinctive as possible. There should be no changes in the grip by the individual Chapters. The Fraternity grip may be described as follows: An ordinary grasp of the hand (right hand) in which all fingers are included, with the forefinger pressing upon the wrist at the junction of the hand and the wrist, two times.

Uses of the Fraternity Grip
