It Was Like A Fever Storytelling In Protest And Politics

Corinne Squire

It Was Like A Fever Storytelling In Protest And Politics:

It Was Like a Fever Francesca Polletta, 2009-01-14 Activists and politicians have long recognized the power of a good story to move people to action In early 1960 four black college students sat down at a whites only lunch counter in Greensboro North Carolina and refused to leave Within a month sit ins spread to thirty cities in seven states Student participants told stories of impulsive spontaneous action this despite all the planning that had gone into the sit ins It was like a fever they said Francesca Polletta s *It Was Like a Fever* sets out to account for the power of storytelling in mobilizing political and social movements Drawing on cases ranging from sixteenth century tax revolts to contemporary debates about the future of the World Trade Center site Polletta argues that stories are politically effective not when they have clear moral messages but when they have complex often ambiguous ones The openness of stories to interpretation has allowed disadvantaged groups in particular to gain a hearing for new needs and to forge surprising political alliances But popular beliefs in America about storytelling as a genre have also hurt those challenging the status quo A rich analysis of storytelling in courtrooms newsrooms public forums and the United States Congress *It Was Like a Fever* offers provocative new insights into the dynamics of culture and contention *Handbook of Politics* Kevin T. Leicht, J. Craig Jenkins, 2009-11-28 Political sociology is the interdisciplinary study of power and the intersection of personality society and politics The field also examines how the political process is affected by major social trends as well as exploring how social policies are altered by various social forces Political sociologists increasingly use a wide variety of relatively new quantitative and qualitative methodologies and incorporate theories and research from other social science cognate disciplines The contributors focus on the current controversies and disagreements surrounding the use of different methodologies for the study of politics and society and discussions of specific applications found in the widely scattered literature where substantive research in the field is published This approach will solidly place the handbook in a market niche that is not occupied by the current volumes while also covering many of the same theoretical and historical developments that the other volumes cover The purpose of this handbook is to summarize state of the art theory research and methods used in the study of politics and society This area of research encompasses a wide variety of perspectives and methods that span social science disciplines The handbook is designed to reflect that diversity in content method and focus In addition it will cover developments in the developed and underdeveloped worlds The Art of Political Storytelling Philip Seargeant, 2020-05-14 In our post truth world tapping into people s emotions has proved far more effective than rational argument and as Philip Seargeant argues in this illuminating and entertaining book the most powerful tool for manipulating emotions is a gripping narrative From Trump s America to Brexit Britain weaving a good story featuring fearless protagonists challenging quests against seemingly insurmountable odds and soundbite after soundbite of memorable dialogue has been at the heart of political success So does an understanding of the art of storytelling help explain today s successful political movements Can it translate into a blueprint

for victory at the ballot box *The Art of Political Storytelling* looks at how stories are created shared and contested illuminating the pivotal role that persuasive storytelling plays in shaping our understanding of the political world we live in By mastering the tools and tricks of narrative and evaluating the language and rhetorical strategies used to craft and enact them Seargeant explains how and why today s combination of new media populism and partisanship makes storytelling an ever more important part of the persuasive and political process In doing so the book offers an original and compelling way of understanding the chaotic world of today s politics

Tear Gas Epiphanies Kirsty Robertson,2019-06-07 Museums are frequently sites of struggle and negotiation They are key cultural institutions that occupy an oftentimes uncomfortable place at the crossroads of the arts culture various levels of government corporate ventures and the public Because of this museums are targeted by political action but can also provide support for contentious politics Though protests at museums are understudied they are far from anomalous *Tear Gas Epiphanies* traces the as yet untold story of political action at museums in Canada from the early twentieth century to the present The book looks at how museums do or do not archive protest ephemera examining a range of responses to actions taking place at their thresholds from active encouragement to belligerent dismissal Drawing together extensive primary source research and analysis Robertson questions widespread perceptions of museums strongly arguing for a reconsideration of their role in contemporary society that takes into account political conflict and protest as key ingredients in museum life The sheer number of protest actions Robertson uncovers is compelling Ambitious and wide ranging *Tear Gas Epiphanies* provides a thorough and conscientious survey of key points of intersection between museums and protest a valuable resource for university students and scholars as well as arts professionals working at and with museums

Modern Families Joshua Gamson,2015-09-10 The kinds of families we see today are different than they were even a decade ago as paths to parenthood have been rejiggered by technology activism and law Gamson brings us extraordinary family creation tales that illuminate this changing world of contemporary kinship He tells a variety of unconventional family creation tales adoption and assisted reproduction gay and straight parents coupled and single and multi parent families set against the social legal and economic contexts in which they were made

Identities, Boundaries and Social Ties Charles Tilly,2015-11-17 *Identities Boundaries and Social Ties* offers a distinctive coherent account of social processes and individuals connections to their larger social and political worlds It is novel in demonstrating the connections between inequality and de democratization between identities and social inequality and between citizenship and identities The book treats interpersonal transactions as the basic elements of larger social processes Tilly shows how personal interactions compound into identities create and transform social boundaries and accumulate into durable social ties He also shows how individual and group dispositions result from interpersonal transactions Resisting the focus on deliberated individual action the book repeatedly gives attention to incremental effects indirect effects environmental effects feedback mistakes repairs and unanticipated consequences Social life is complicated

But the book shows it becomes comprehensible once you know how to look at it **The Guide to Trauma-Informed and Emotionally Mindful Conflict Practice** Jeremy A. Rinker, 2024-10-15 Restoring social harmony requires both emotion and the difficult embrace of past felt traumas Jeremy A Rinker provides a clarion call for practitioners to bravely explore human emotions and past trauma He interrogates current conflict intervention practice moving past interest based negotiation and needs based conflict resolution and provides a guide for more emotionally mindful and trauma informed conflict intervention work The Guide to Trauma Informed and Emotionally Mindful Conflict Practice addresses the underattended aspects of emotions and foregrounds historical harms in the work of resolving social conflict It critically investigates trauma and human emotions as an underexplored resource in addressing local and entrenched community violence and integrates the theory and practice of trauma informed approaches using cultural framing storytelling resilience and emotional human connection to chart new ways toward peace This refocusing of peace work is critical for not only conflict resolution but also for overcoming the ossification of polarized social identity formations *Research in Social Movements, Conflicts and Change* Patrick G. Coy, 2008-06-16 Presents a series of papers focused on the complex dynamics of coalitions and the interorganizational relations within social movements This volume includes a section which focuses on strategic decision making in social movements including with regard to strategic alliances **Online Anti-Rape Activism** Rachel Loney-Howes, 2020-08-17 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online This book examines the nature use and scope of online spaces for anti rape activism offering a critical commentary on its limitations and potentials *The Folktales of Palestine* Farah Aboubakr, 2019-03-21 Folktales are instrumental in ensuring the survival of oral traditions and strengthening communal bonds Both the stories and the process of storytelling itself help to define social cultural and political identity For Palestinians the threat of losing their heritage has engendered a sense of urgency among storytellers and Palestinian folklorists Yet there has been remarkably little academic scholarship dedicated to the tradition Farah Aboubakr here analyses a selection of folktales edited compiled and translated by Ibrahim Muhawi and Sharif Kanaana in *Speak Bird Speak Again* 1989 In addition to the folktales themselves Muhawi and Kanaana's collection is renowned for providing readers with extensive folkloric historical and anthropological annotations Here for the first time the folktales and the compilers work on them are the subject of scholarly analysis Synthesising various disciplines including memory studies gender studies and social movement studies Aboubakr uses the collection to understand the politics of storytelling and its impact on Palestinian identity In particular the book draws attention to the female storytellers who play an essential role in transmitting and preserving collective memory and culture The book is an important step towards analysing a significant genre of Palestinian literature and will be relevant to scholars of Palestinian politics and popular culture gender studies and memory studies and those interested in folklore and oral literature *The Wiley Blackwell Companion to Social Movements* David A. Snow, Sarah A. Soule, Hanspeter Kriesi, Holly J. McCammon, 2023-01-04

The most up to date and thorough compendium of scholarship on social movements This second edition of The Wiley Blackwell Companion to Social Movements features forty original essays from the field With contributions from both established and ascendant scholars the Companion seeks to present current research on social movements in all its diversity It is the most up to date comprehensive volume of social science research on social movements available today The essays address facilitative and constraining contexts and conditions social movement organizations fields and dynamics strategies and tactics micro structural and social psychological dimensions of participation consequences and outcomes and various thematic intersections including the intersection of social movements and social class gender race and ethnicity religion human rights globalization political extremism and more Offers an illuminating guide to understanding the dynamics and operation of social movements within the modern global world Covers a diverse range of topics in the field of social movement studies Offers original state of the art essays by internationally recognized scholars The Wiley Blackwell Companion to Social Movements is recommended for graduate seminars on social movement and for scholars of social movements worldwide It is also an excellent text for college and university libraries especially with graduate programs in the social sciences

Strategies for Social Change Gregory M. Maney, 2012 Examines how strategies within social movements develop and work

Stories Changing Lives Corinne Squire, 2020-11-24 Stories Changing Lives analyzes the strong significance of personal stories for social change The book brings to the fore the multimodalities of narratives the value of multiple stories genres positions and intersectionalities and the interdisciplinarity historical reach and transnationalism of narrative research

Beyond Women's Words Katrina Srigley, Stacey Zembrzycki, Franca Iacovetta, 2018-05-01 Beyond Women's Words unites feminist scholars artists and community activists working with the stories of women and other historically marginalized subjects to address the contributions and challenges of doing feminist oral history Feminists who work with oral history methods want to tell stories that matter They know too that the telling of those stories the processes by which they are generated and recorded and the different contexts in which they are shared and interpreted also matters a lot Using Sherna Berger Gluck and Daphne Patai's classic text Women's Words as a platform to reflect on how feminisms broadly defined have influenced and continue to influence the wider field of oral history this remarkable collection brings together an international multi generational and multidisciplinary line up of authors whose work highlights the great variety in understandings of and approaches to feminist oral histories Through five thematic sections the volume considers Indigenous modes of storytelling feminism in diverse locales around the globe different theoretical approaches oral history as performance digital oral history and oral history as community engagement Beyond Women's Words is ideal for students of oral history anthropology public history women's and gender history and Women's and Gender Studies as well as activists artists and community engaged practitioners

The Routledge Companion to Narrative Theory Paul Dawson, Maria Mäkelä, 2022-07-18 The Routledge Companion to Narrative Theory brings together top scholars in the field to explore the

significance of narrative to pressing social cultural and theoretical issues How does narrative both inform and limit the way we think today From conspiracy theories and social media movements to racial politics and climate change future scenarios the reach is broad This volume is distinctive for addressing the complicated relations between the interdisciplinary narrative turn in the academy and the contemporary boom of instrumental storytelling in the public sphere The scholars collected here explore new theories of causality experientiality and fictionality challenge normative modes of storytelling and offer polemical accounts of narrative fiction nonfiction and video games Drawing upon the latest research in areas from cognitive sciences to complexity theory the volume provides an accessible entry point for those new to the myriad applications of narrative theory and a point of departure for new scholarship

Social Movements Dieter Rucht, 2023 Dieter Rucht offers a theoretically and historically informed approach to social movements as a phenomenon of modern societies He links the analysis of social movements to general theories of society and processes of social change and combines three basic perspectives interactionist constructivist and process oriented ICP approach

The Shape of Populism Marko Grdešić, 2019-08-05 The Shape of Populism examines socialist Serbia then part of Yugoslavia which in the late 1980s witnessed popular mobilization and an emergence of a populist discourse that both constructed and celebrated the people Author Marko Grdešić uses quantitative and qualitative analyses to show how the people emerge in the public sphere This book examines over 300 protests and analyzes them in conjunction with elite events such as party sessions It examines over 1 600 letters to the editor and political cartoons to reveal the populist construction of the people Grdešić also relies on interviews with participants in populist rallies in the late 1980s to examine the long term legacies of populism

Improving the U.S. Military's Understanding of Unstable Environments Vulnerable to Violent Extremist Groups David E. Thaler, Ryan Andrew Brown, Gabriella C. Gonzalez, Blake W. Mobley, Parisa Roshan, 2013-12-18 For over a decade operations associated with irregular warfare have placed large demands on U S ground forces and have led to development of new Army and Joint doctrine This report helps analysts identify and assess twelve key factors that create and perpetuate environments susceptible to insurgency terrorism and other extremist violence and instability to inform military decisions on allocation of analytic and security assistance resources

Doing Labor Activism in South China Darcy Pan, 2020-06-01 How did labor NGOs come into existence in contemporary China How do labor activists act or not act when the limits of state tolerance are unclear With a focus on labor NGOs in South China and Western funding agencies this book sets out to address these questions by investigating the dynamics of state control in post socialist China since the 1970s in which rapid economic and social transformations have cultivated an environment of uncertainty Taking uncertainty as an analytical space productive of emergent practices and discourses this book draws on original fieldwork and interviews to study the lived experiences of different actors throughout the labor NGO community the foreign donors trying to bring about change and the networks of social relationships being strategically reconfigured Doing Labor Activism in South China offers an ethnography of the

Chinese state that reveals an intimate and complicit modality of self governing demonstrating how neoliberal ideas are at once represented by international development and deflected in grassroots development It will be useful to students and scholars of Social Anthropology and Urban Ethnography as well as Political Science and Chinese Studies more generally

It Was Like A Fever Storytelling In Protest And Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download *It Was Like A Fever Storytelling In Protest And Politics* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *It Was Like A Fever Storytelling In Protest And Politics* has opened up a world of possibilities. Downloading *It Was Like A Fever Storytelling In Protest And Politics* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *It Was Like A Fever Storytelling In Protest And Politics* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *It Was Like A Fever Storytelling In Protest And Politics*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *It Was Like A Fever Storytelling In Protest And Politics*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *It Was Like A Fever Storytelling In Protest And Politics*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *It Was Like A Fever Storytelling In Protest And Politics* has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About It Was Like A Fever Storytelling In Protest And Politics Books

What is a It Was Like A Fever Storytelling In Protest And Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a It Was Like A Fever Storytelling In Protest And Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a It Was Like A Fever Storytelling In Protest And Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a It Was Like A Fever Storytelling In Protest And Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a It Was Like A Fever Storytelling In Protest And Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
