Soul-Fit JP Roche,2019-03-26 Within each of us lies a deep truth. The purpose of our lives may not be what we thought, but one thing is sure: we all have a gift to give. No matter what journey or path we're on, it counts. In *Soul Fit* author JP Roche shares valuable insights into the ways humans think and act, enabling us to examine our lives, making positive changes with self-improvement as the goal. Roche helps us identify destructive ways of thinking and reframe our experiences to set us on a better path. He tells how we don't have to be rich to be happy, but we do need to be comfortable in our own skin. Our biggest competitor in this life isn't anyone around us, but ourselves. Roche offers advice to overcome our deepest fears, anxieties, and problems to determine who we really are. *Soul Fit* teaches us ancient and timeless wisdoms to help us find our truth, unlock our full potential, and live our best lives—the one we deserve.

The channeled writings of A Course in Miracles have touched millions of lives. And yet ACIM can be surprisingly difficult to navigate. From its often complex concepts about the nature of the ego, reality, and love to the many intense, surprising personal changes it can bring into readers' lives, ACIM presents a challenge for even the most motivated students. Now D. Patrick Miller, the leading historical chronicler of ACIM and a highly respected authority on its teachings, provides the definitive how-to manual for engaging with ACIM. His guide distills years of hard-won insights and helps students navigate the sometimes intense experience. *Living with Miracles* is designed to make even the novice comfortable when approaching ACIM. Miller leads the reader through the most common emotions, reactions, and questions that arise when studying ACIM, provides insights and tips about pacing yourself as well as when and how to take breaks from study, and gives advice on working through early misconceptions and difficult later stages. He also provides useful, absorbing historical material, stories from practitioners around the world who reflect honestly on their experiences, and a resources section with ideas for those looking to continue their study of this remarkable spiritual teaching.
