especially for someone with an aversion to exercise who couldn't swim very well. As the punishing training commenced, Jessica learned you need to put on weight to stave off the cold. This then led to another idea: what if she wrote to a collection of inspiring women asking if they would meet and eat with her to answer the question: does motherhood make you happy? The response was overwhelming. From baronesses and professors to award winners and record breakers, amazing women from different walks of life, some mothers, some not, all with compelling truths to tell about female fulfilment and the meaning of motherhood. On 2 September 2015, Jessica set out from Dover beach in the dark, taking the words that each of the women had given to sea in her bid to answer the question.
