

Activity 2 Guidelines for Working Effectively as a Group

Objective

To develop guidelines for working effectively as a group

Time

30 min

Description

This activity is divided into two parts.

In **Part A**, you will brainstorm on behaviours that affect group dynamics.

In **Part B**, you will determine guidelines for working effectively as a group during this workshop.

5 min

Part A Brainstorming

The facilitator leads a brainstorming session to identify behaviours that either help or interfere with the effective functioning of a group.

As the participants provide ideas, the facilitator lists these in different columns on flip chart; i.e., behaviours that interfere with the effective functioning of the group are listed in RED in one column and those that help group process are listed in GREEN in the second column.

15 min

Part B Identifying Guidelines for Working Effectively as a Group

Based on the ideas presented in Part A, together with your facilitator, develop a number of guidelines for working effectively as a group. You may also want to refer to the Universal Declaration of Human Rights (UDHR) in *Reference Sheet 1: Summary of the Articles of the UDHR* and reflect on how it can inform the guidelines you determine for your group.

The facilitator writes the guidelines agreed to on flipchart and posts them in the room for the remainder of the workshop. It is important that all members of the group, including the facilitators, feel comfortable with the guidelines and commit to respecting them.
