Made In Italy Made In Italy:

Made in Italy Grace Lees-Maffei, Kjetil Fallan, 2013-11-21 Goods made or designed in Italy enjoy a profile which far outstrips the country's modest manufacturing output Italy's glorious design heritage and reputation for style and innovation has added value to products made in Italy Since 1945 Italian design has commanded an increasing amount of attention from design journalists critics and consumers But is Italian design a victim of its own celebrity *Made in Italy* brings together leading design historians to explore this question discussing both the history and significance of design from Italy and its international influence Addressing a wide range of Italian design fields including car design graphic design industrial and interior design and ceramics well known designers such as Alberto Rosselli and Ettore Sottsass Jr and iconic brands such as Olivetti Vespa and Alessi the book explores the historical cultural and social influences that shaped Italian design and how these iconic designs have contributed to the modern canon of Italian inspired goods *The A to Z of Modern Italy* Mark Gilbert, Robert K. Nilsson, 2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy's natural beauty and cuisine are rightly renowned Italy's history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814-15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one *The A to Z of Modern Italy* is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture *The Accountant*, 1920 *Made in Italy* Annie Brody, Patricia Schultz, 1988 **Italy and the Italian Islands** William Spalding, 1841 *Sketches and Studies in Italy and Greece, Complete* John Addington Symonds, 2019-12-02 In *Sketches and Studies in Italy and Greece Complete* John Addington Symonds embarks on a scholarly yet evocative exploration of the landscapes art and cultural heritage of Italy and Greece Written in a lyrical style characterized by rich descriptions and introspective commentary this collection reflects the author's personal experiences and aesthetic observations during his travels Symonds delves into the artistic legacies of the classical world analyzing Renaissance artworks and historical sites while positioning these elements within the broader context of European culture and humanism The work stands as both a travel memoir and an art critique inviting readers to appreciate the profound connections between

geography history and artistic expression Symonds a Victorian poet and cultural historian known for his advocacy of aestheticism and homosexual rights was deeply influenced by his own travels and the artistic milieu he encountered His extensive knowledge of classical literature and philosophy permeates this work reflecting his admiration for the beauty of ancient civilizations and the transformative power of art Symonds unique perspective as a bisexual man navigating the constraints of Victorian society informs his examination of beauty desire and identity within these ancient contexts This book is a treasure for scholars art enthusiasts and travel aficionados alike Symonds articulate prose not only transports readers to the sun drenched landscapes of Italy and the historic ruins of Greece but also encourages a deeper understanding of the interconnections between place artistry and identity For those seeking an enriched perspective on these culturally rich regions Symonds work is an essential addition to their literary journey
