Sadler, 2018-03-06 In *Touching the Passion Seeing Late Medieval Altarpieces through the Eyes of Faith* Donna Sadler explores the manner in which worshipers responded to the carved and polychromed retables adorning the altars of their parish churches Framed by the symbolic death of Christ re enacted during the Mass the historical account of the Passion on the retable situated Christ's suffering and triumph over death in the present The dramatic gestures contemporary garb and wealth of anecdotal detail on the altarpiece invited the viewer's absorption in the narrative As in the *Imitatio Christi* the worshiper imaginatively projected himself into the story like a child before a dollhouse The five senses the sculptural medium the small scale and the rhetoric of memory foster this immersion **Second Chance** Ruth Rosengarten, 2022-08-23 In this intimate memoir Ruth Rosengarten explores the subject of evocative objects through a series of interconnected essays Evocative objects reflect our attitudes to our own lives and how we seek to display ourselves to ourselves They are therefore closely linked to our memories and how we filter process and reconstruct them Rosengarten explores the themes and associations invoked by her own evocative objects which are frequently shabby things of no material value They are importantly often objects that in their materiality bear traces of actions of something having been Through the associative pathways that these objects have paved she discusses her experiences with the losses she has undergone her family's migrations and what it means to be a childless woman This leads her to address the question of what will become of her storied objects and the memories attached to them when she is no longer in existence This memoir offers an interdisciplinary approach to collecting and compiling fragments of one's life paying close attention to the evocative objects that embody us In doing so these essays explore loss memory childlessness longing family history literature and art theory through material entities which reveal the immaterial things at the heart of this study This book is sure to be of interest to anyone stimulated by memory work and the relationship between humans and their possessions Short-Form Creative Writing H. K.

Hummel, Stephanie Lenox, 2018-11-15 **Short Form Creative Writing A Writer's Guide and Anthology** is a complete introduction to the art and craft of extremely compressed works of imaginative literature. H. K. Hummel and Stephanie Lenox introduce both traditional and innovative approaches to the short form and demonstrate how it possesses structure, logic, and coherence while simultaneously resisting expectations. With discussion questions, writing prompts, flash interviews, and illustrated key concepts, the book covers prose poetry, flash fiction, micro memoir, lyric essay, cross-genre hybrid writing, and much more. **Short Form Creative Writing** also includes an anthology offering inspiring examples of short form writing in all of the styles covered by the book, including work by Charles Baudelaire, Italo Calvino, Lydia Davis, Grant Faulkner, Ilya Kaminsky, Jamaica Kincaid, and many others. This volume is also the first that draws upon the Marianne Moore Digital Archive (MMDA). [Letter Writing Among Poets](#) Jonathan Ellis, 2015-01-13 No detailed description available for **Letter Writing Among Poets**. **Night Rooms** Gina Nutt, 2021-03-23 2021 Foreword INDIES Finalist 2022 IPPY MEDALISTS for Essay bronze A Best Book of 2021 NPR A Most Anticipated Book of 2021 Refinery29 Thrillist Book Riot Lit Hub In a horror movie, an infected character may hide a bite or rash, an urge, an unwellness. She might withdraw or act out or behave as if nothing is the matter; nothing has happened. Any course of action opposite saying how she feels suggests suffering privately is preferable to the anticipated betrayal of being cast out. **Night Rooms** is a poetic, intimate collection of personal essays that weaves together fragmented images from horror films and cultural tropes to meditate on anxiety and depression, suicide, body image, identity, grief, and survival. Whether competing in shopping mall beauty pageants, reflecting on childhood monsters and ballet lessons, or recounting dark cultural ephemera while facing grief and authenticity in the digital age, Gina Nutt's shifting style echoes the subgenres that **Night Rooms** highlights: spirit, haunted, slow burns, possession tales, slashers, and revenge films with a feminist bent. Refracting life through the lens of horror films, **Night Rooms** masterfully leaps between reality and movies past and present because the final girl's story is ultimately a survival story told another way. The audiobook of **Night Rooms** is available now and narrated by the author. **Engagements with Aimé Césaire** Jason Allen-Paisant, 2024 In this inventive and thoughtful study, renowned poet Jason Allen Paisant provides a timely critical reappraisal of Aimé Césaire's works. The book showcases Césaire as a major Black thinker whose writings remain deeply relevant to today's crises and debates. **Sontag and the Camp Aesthetic** Bruce E. Drushel, Brian M. Peters, 2017-02-15 **Sontag and the Camp Aesthetic: Advancing New Perspectives** marks 50 years of writing and cultural production on the phenomenon of camp since Susan Sontag's 1964 cornerstone essay "Notes on 'Camp'." It provides cutting-edge theory and understanding on ways to read and interpret camp through a collection of essays from historical, theoretical, and cultural perspectives. It includes varied subject areas, including camp icons, stylistics, periods, and important and

representative texts from television film and literature These essays create a scholarly conversation that understands camp as not only signifier or aesthetic but also a language mode and style that goes beyond its initial linguistic and semiotic guise The contributors representing a diverse group of established and rising scholars explore camp as a largely queer genre that includes varying modes of understanding of desire and of the self outside a hegemonic model of heteronormativity

Precarity in Contemporary Literature and Culture Emily J. Hogg, Peter Simonsen, 2021-04-22 The contemporary moment is characterized by precarity an expanding and intensifying vulnerability conditioned by political and economic structures Using literary and cultural texts to develop a nuanced and critical exploration of the concept of precarity that emphasizes its contemporary manifestations while also attending to its historical roots and existential dimensions this book examines the vulnerabilities which characterize our anxious existence including unemployment environmental crisis temporary contracts and patterns of migration Broken down into three key themes of feelings bodies and time *Precarity in Contemporary Literature and Culture* asks whether precarity can be considered a new phenomenon explores the relationship between precarity and traditional class politics analyses precarity's global dimensions and reflects on the links between contemporary crisis and underlying existential human vulnerability With reference to a wide range of forms such as contemporary realist science fiction and modernist novels film theatre and the lyric poem this book goes beyond one national context to consider texts from the US UK Germany and South Africa

Lyric Poetry and Space Exploration from Einstein to the Present Margaret Greaves, 2023-05-23 Poetry and astronomy often travel together in the political sphere from Milton's meeting with Galileo under house arrest to NASA's practice of launching poems into space Anchored in the post war period but drawing on a long history of poetry and science *Lyric Poetry and Space Exploration from Einstein to the Present* charts the surprising connection between poetry and extra terrestrial space In an era defined by the vast scales of globalization environmental disaster and space travel poets bring the small scales of lyric intimacy to bear on cosmic immensity While outer space might seem the domain of more popular genres lyric poetry has ancient and enduring associations with cosmic inquiry that have made it central to post war space culture As the Cold War played out in space American institutions and media from NASA to *Star Trek* enlisted poetry to present space exploration as a peaceful mission on behalf of humankind Meanwhile poets from across the globe have turned to the cosmos to contest American imperialism challenging conventional ideas about lyric poetry in the process Poets including Elizabeth Bishop Adrienne Rich Seamus Heaney Derek Walcott Agha Shahid Ali and Tracy K Smith invoke the extra terrestrial to interrogate national histories alongside their craft Dazzled by the aesthetics of astronomy but wary of its imperial uses poets employ astronomical figures and methods to imagine how we might care for both ourselves and others on a shared planet

In Praise of Good Bookstores Jeff Deutsch, 2022-04-05 From a devoted reader and lifelong bookseller an eloquent and charming reflection on the singular importance of bookstores Do we need bookstores in the twenty first century If so what makes a good one In this beautifully written book Jeff Deutsch the former

director of Chicago's Seminary Co-op Bookstores one of the finest bookstores in the world pays loving tribute to one of our most important and endangered civic institutions He considers how qualities like space time abundance and community find expression in a good bookstore Along the way he also predicts perhaps audaciously a future in which the bookstore not only endures but realizes its highest aspirations In exploring why good bookstores matter Deutsch draws on his lifelong experience as a bookseller but also his upbringing as an Orthodox Jew This spiritual and cultural heritage instilled in him a reverence for reading not as a means to a living but as an essential part of a meaningful life Central among Deutsch's arguments for the necessity of bookstores is the incalculable value of browsing since when we are deep in the act of looking at the shelves we move through space as though we are inside the mind itself immersed in self reflection In the age of one click shopping this is no ordinary defense of bookstores but rather an urgent account of why they are essential places of discovery refuge and fulfillment that enrich the communities that are lucky enough to have them **Text & Presentation,**
