

SHORT GRAVESIDE PRAYER FOR BURIAL OF ASHES

“Loving Christ,

In three days in the tomb, You opened the graves of those who died in You, making the grave a symbol of hope that promises resurrection even though death conquers our mortal bodies.

Allow Your beloved child to rest in peace as You call them to Your glory because You are the resurrection and the source of immortal life.

Let (**say their name**) see Your glorious face and experience Your Heavenly splendor, for You reign forever. I pray and believe in Christ Jesus,

Amen”

insightful meditation on the meaning of grief showing how it can be the path toward a lasting love of those who have died Recounting dozens of stories of people who have struggled with deaths in their lives he describes grieving as a transition from loving in presence to loving in separation The thing we long for most the return of the one who is missing is the very thing that we can never have kindling the intense pain of our loss But Attig argues that we can in fact build an enduring even reciprocal love a love that tempers our pain He tells stories for instance of a young girl taking some of her dead sister's practical advice as she enters high school a widower realizing how much intimate life with his wife has colored his character and an athlete drawing inspiration from his dead brother and achieving what they had dreamed of together Far from forgetting our loved ones Attig urges us to explore ways in which our memories of the departed can be sustained our understanding of them enhanced and their legacies embraced so they continue to play active roles in our everyday and inner lives Groundbreaking and original inspiring and compassionate *The Heart of Grief* offers guidance comfort and a new understanding of how we grieve **The Westminster Dictionary of Worship** John Gordon Davies, 1979 *Religion and*

life cycles in early modern England Caroline Bowden, Emily Vine, Tessa Whitehouse, 2021-10-12 *Religion and life cycles in early modern England* assembles scholars working in the fields of history English literature and art history to further our understanding of the intersection between religion and the life course in the period c 1550 1800 Featuring chapters on Catholic Protestant and Jewish communities it encourages cross confessional comparison between life stages and rites of passage that were of religious significance to all faiths in early modern England The book considers biological processes such as birth and death aspects of the social life cycle including schooling coming of age and marriage and understandings of

religious transition points such as spiritual awakenings and conversion Through this inclusive and interdisciplinary approach it seeks to show that the life cycle was not something fixed or predetermined and that early modern individuals experienced multiple overlapping life cycles
