M. C. Green,2007 The sanctuary dedicated to

Diana at Aricia flourished from the Bronze age to the second century CE From its archaic beginnings in the wooded crater beside the lake known as the mirror of Dianea it grew into a grand Hellenistic style complex that attracted crowds of pilgrims and the sick Diana was also believed to confer power on leaders This book examines the history of Diana s cult and healing sanctuary which remained a significant and wealthy religious center for more than a thousand years It sheds new light on Diana herself on the use of rational as well as ritual healing in the sanctuary on the subtle distinctions between Latin religious sensibility and the more austere Roman practice and on the interpenetration of cult and politics in Latin and Roman history *Dictionary of Plant Lore* D.C. Watts,2007-05-02 Knowledge of plant names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus *Callicarpa* *Callicarpa* is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author s wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier s *Dictionary of Plant Names and Their Origins* contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians *The American Senator. A Novel* Anthony Trollope,2025-10-17 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Arthur's Illustrated Home Magazine** ,1876
