Living with HIV in Post-Crisis Times David A.B. Murray, 2021-08-18 Over the past decade effective prevention and treatment policies have resulted in global health organizations claiming that the end of the HIV AIDS crisis is near and that HIV AIDS is now a chronic but manageable disease These proclamations have been accompanied by stagnant or decreasing public interest in and financial support for people living with HIV and the organizations that support them minimizing significant global disparities in the management and control of the HIV pandemic The contributors to this edited collection explore how diverse communities of people living with HIV PLHIV and organizations that support them are navigating physical social political and economic challenges during these so called post crisis times Critical Qualitative Research and Social Justice Penny A. Pasque, 2025-06-23 *Critical Qualitative Research and Social Justice* is an encyclopedia esque book

that is a must have for any researcher interested in critical and social justice qualitative research It helps readers understand and navigate the labyrinthine of critical and social justice concepts available for qualitative research studies The book focuses on critical decolonial transformative critical interpretivist participatory or related approaches that disrupt dominant paradigms unapologetically name issues of power identify and overturn oppressive policies and engage with communities in meaningful ways There are 28 chapters that take up a different critical and or social justice research concept and define it for readers The chapters are not mutually exclusive but overlap and connect with each other As such readers can draw from different chapters as they create their own critical and or social justice research designs This book will be of interest to researchers faculty institutional researchers graduate students nonprofit research or assessment people etc across fields and disciplines who are interested in crafting quality research designs and making a concerted difference with their research

Sex in the Middle East and North Africa L. L. Wynn,Angel M. Foster,2022-08-31 Sex in the Middle East and North Africa examines the sexual practices politics and complexities of the modern Arab world Short chapters feature a variety of experts in anthropology sociology health science and cultural studies Many of the chapters are based on original ethnographic and interview work with subjects involved in these practices and include their voices The book is organized into three sections Single and Dating Engaged and Married and It s Complicated The allusion to categories of relationship status on social media is at once a nod to the compulsion to categorize recognition of the many ways that categorization is rarely straightforward and acknowledgment that much of the intimate lives described by the contributors is mediated by online technologies □□□
