is Salinger's unforgettable story in full *Salinger's Soul* Stephen B. Shepard, 2024-09-10 J D Salinger remains one of America's best known but least understood writers His 1951 book *The Catcher in the Rye* lives on as one of the most iconic American novels of all time Yet after his commercial and literary success Salinger soon retreated to a rural town in New Hampshire and lived in seclusion for the rest of his life He wrote nearly every day but didn't publish any of his work after 1965 He became famous for not wanting to be famous His story however is not over His son Matt has been sorting through the unpublished writing Salinger left behind after his death in 2010 Most of these stories will be released soon and are heavily influenced by his years in seclusion *Salinger's Soul* tells of his traumatic experience in World War II as well as his transition from the Judaism of his youth to his embrace of a mystical form of Hinduism known as Vedanta It was Vedanta that influenced his post-Catcher fiction from *Nine Stories* to *Franny and Zooey* Yet Salinger veered from Vedanta in one crucial way he didn't heed its dictum to lead a life of celibacy Instead Salinger was obsessed with young women those in the last minutes of their girlhood In all his wartime experience his religious beliefs and his romantic relationships defined his life in seclusion and influenced his writing *Salinger's Soul* looks at his little known personal voyage of discovery *At Home In The World* Joyce Maynard, 2014-11-28 In 1972 Joyce Maynard an undergraduate at Yale wrote an article for the *New York Times Magazine* called *An Eighteen Year Old Looks Back on Life* Among the hundreds of letters she received as a result one expressed deep affection for her writing and concern at the exploitation that she might be subjected to The writer was J D Salinger author of *Catcher in the Rye* and famous recluse Their correspondence led first to friendship and then to love and after a few months she dropped out of college to live with him In spite of the thirty five year difference in their ages she believed they would be together always but after a year he sent her away Courageous beautifully written and affecting this book is destined to become a classic memoir of a modern woman's life **J.D.
