Jack Grout A Legacy In Golf:

Jack Grout Dick Grout,Bill Winter,2017-03 Jack Grout was my unconditional friend for nearly four decades serving as both my golf instructor and after the premature death of my father in 1970 as a second father to me Jack gave a great deal of himself to me as my only golf teacher from the day I first attended one of his junior golf classes at Scioto Country Club right up through my final major championship victory in the 1986 Masters Jack Nicklaus Jack Grout A Legacy in Golf tells the remarkable story of a middle class Oklahoman who discovered golf at the age of eight was teaching it to others by age fifteen and who would travel the ragtag early PGA Tour in drafty automobiles with men who became legends of the game Ben Hogan Byron Nelson Sam Snead Gene Sarazen and many others Those tough days on the Tour led Jack Grout to a series of club professional jobs and eventually into the orbit of a husky ten year old redhead named Jackie Nicklaus the youngster who under Grout s tutelage for thirty nine years became golf s greatest champion the mighty Golden Bear This is a book about the evolution of American golf from country club based to one of its most popular activities and of a man who forged a solid career as a playing professional then a truly brilliant one as teacher of not only Jack Nicklaus but also Raymond Floyd David Graham Lanny Wadkins Olin Browne and other great champions But it is not just a golf book As Jack Nicklaus has noted this is a book for golfers and non golfers alike It is the warm eventful and often funny story of a quiet and humble family man who succeeded at every level in a profession that demands tremendous self focus and intense competitiveness And who did so while managing always to be just a really good guy I am so delighted that finally golfers and fans throughout the world will recognize Jack Grout as being the top teacher in the world during the Nicklaus era If he were alive today nobody would have ever heard of Butch Harmon Keith Marks Class A PGA Lifetime Member This book is a reminder of why the great players and teachers are just that GREAT Dottie Pepper NBC golf analyst and 17 time LPGA tournament winner I want you to know that I could not have accomplished all that I have done without you Your patience your tutelage and your inspiration has been the formula of success I sincerely thank you Raymond Floyd in letter to Jack Grout after winning the 1986 U S Open Jack Grout - a Legacy in Golf Dick Grout,Bill Winter,2012 The author presents the life story of Jack Grout from his childhood in middle class Oklahoma to his PGA tournaments playing against Ben Hogan Byron Nelson Sam Snead and Gene Sarazen to his role as golf teacher to Raymond Floyd David Graham Lanny Wadkins and for 39 years to Jack Nicklaus *Ralph Guldahl* Kevin Kenny,2016-06-24 Set against the background of the Great Depression this book presents the life of Ralph Guldahl who for a brief period in the 1930s was widely recognized as the best golfer in the world From 1936 to 1940 he won two successive U S Opens one Masters title and three successive Western Opens held the best scoring average award and was a Ryder Cup player with a 100 percent record After this memorable run he lost his game and almost disappeared from view This biography is the first to trace the rise and decline of his career and answer the question What happened to Ralph Guldahl **Trials and Triumphs of Golf's Greatest Champions** Lyle Slovic,2016-05-19 Golf can be a vexing and cruel

game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope* Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume *Trials and Triumphs of Golf's Greatest Champions* offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials
