A FRIENDLY RESPONSE

SAMUEL E. WALDRON

Macarthurs Millennial Manifesto

Michael J. Vlach

Macarthurs Millennial Manifesto:

MacArthur's Millennial Manifesto Samuel E. Waldron, 2008-05 At the 2007 Shepherds Conference Pastor John MacArthur delivered a controversial message entitled Why Every Self Respecting Calvinist is a Premillennialist In this book Dr Sam Waldron addresses the assertions of MacArthur historically exegetically and theologically Although his arguments are rigorous the entire tenor of the book is level headed and irenic This friendly response grants modern day Amillennialists the opportunity to thoughtfully engage their Dispensational brethren

A Case for Amillennialism Kim Riddlebarger, 2013-08-15 Amillennialism dispensational premillennialism historic premillennialism postmillennialism preterism These are difficult words to pronounce and even harder concepts to understand A Case for Amillennialism is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism Recognizing that eschatology the study of future things is a complicated and controversial subject Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question Regardless of their stance readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view

The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

Has the Church Replaced Israel? Michael J. Vlach, 2010 A theological evaluation of replacement theology the doctrine that suggests the church supersedes the nation of Israel in God's plan revealed in the Old Testament

La verdad que permanece John MacArthur, 2016-04-26 Trata de la gran importancia que tiene la enseanza b blica del arrepentimiento como una clave en la salvaci n del ser humano El arrepentimiento verdadero es para salvaci n el falso es para muerte Ambos deben ser conocidos para evitar falsa religiosidad

The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ
