designed to shine the wonderful and liberating light of the gospel into the dark and difficult areas of people's lives. What's here will heal. You need this book and the people you love need it too. Johnnie Moore, Founder, The KAIROS Company. People today are struggling in ways that only the church can help. Greg Surratt, Founding Pastor, Seacoast Church, Mount Pleasant, SC, President, Association of Related Churches, ARC. Wood, Ph.D., J.D., former General Superintendent, The General Council of the Assemblies of God. **Sexperiment** Ed Young, Lisa

Young, 2012-01-10. The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly: the kids, the career, the house, the errands, etc. **SEXPERIMENT** shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. **SEXPERIMENT** will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks. *Loving an Adult Child of an Alcoholic*

Douglas Bey, Deborah Bey, 2007-05-25. The child of an alcoholic develops patterns of behavior during childhood which carry over into adult life. As children, they were taught to cover up the family secret and suppress their feelings. No matter what is going on as adults, when asked how she or he is doing, your partner will likely answer "fine." Distrust, fear of abandonment, and sensitivity to criticism are all major issues for your adult child. Recognizing these patterns and changing the ones that cause problems will help you and your partner enjoy a deeper relationship. [The Mindful Path to Intimacy](#) James V.

Cordova, 2025-01-09. Lots of couples are comfortable but are they close? How often do you or your partner binge-watch TV alone at night instead of cuddling on the couch? And what happened to those meaningful conversations sharing innermost thoughts? Psychologist James Cordova knows that in a world filled with distractions and busy schedules, many couples struggle to maintain genuine closeness and understanding. In this empathic guide, he reveals how the transformative power of mindfulness can support stronger, more vibrant intimate relationships. We all yearn to feel wholly known and accepted.

Crabb In fact whenever we place a higher priority on solving our problems than on pursuing God we are being immoral Dr Crabb demonstrates that our deepest problem and worst sin is doubting God When we doubt God s goodness when we think that god cannot be trusted with the things that matter most we will quietly but with tight lipped resolve take over responsibility for our own well being with disastrous results In his most compelling book since Inside Out Dr Crabb upsets the cozy Christianity of the modern believer He reveals anew God s top priority not our comfort and gratification but His glory
