A Thousand Perfect Notes CG Drews, 2018-06-07 An emotionally charged story about the power

of dreams and how passion can turn to obsession Beck hates his life He hates his violent mother He hates his home Most of all he hates the piano that his mother forces him to play hour after hour day after day He will never play as she did before illness ended her career and left her bitter and broken But Beck is too scared to stand up to his mother and tell her his true passion which is composing his own music because the least suggestion of rebellion on his part ends in violence When Beck meets August a girl full of life energy and laughter love begins to awaken within him and he glimpses a way to escape his painful existence But dare he reach for it Thrilling and powerfully written this is an explosive debut for YA readers which tackles the dark topic of domestic abuse in an ultimately hopeful tale Literacy Centers Level 2 Kelly Hackett,2013-04-01
