Wilhelm Busch als dichter, künstler, psychologe und philosoph Fritz Winther, 1912 Some Forms of the Riddle Question and the Exercise of the Wits in Popular Fiction and Formal Literature Elizabeth Adelaide Herrmann, Fritz Winther, Herbert Ellsworth Cory, Rudolph Schevill, 1910 **University of California Publications in Modern Philology**, 1912 **German-Language Children's and Youth Literature In The Media Network 1900-1945**. Petra Josting, Marlene Antonia Illies, Matthias Preis, Annemarie Weber, 2023-11-16 With the research of German language children's and youth literature and its media associations in the period from 1900 to 1945 as well as the recording of all data in an online portal for research and visual analysis an innovative contribution to the historiography of children's and youth literature is available The introduction provides information on the criteria for inclusion central sources theoretical frameworks and the spectrum of the media associations investigated Part I assembles three overview articles on the media of radio film and theater for children and young people as well as a contribution on the conception and development of the online portal In the second part 18 selected media alliances are presented sorted into the categories pioneers conquer the new media stage children migrate to radio and or film fairy tales in film and radio classics in all media school stories in the theater book and on the screen crime and scandal on the screen political conquers book and film *The Progressive Magazine*, 1923 The Political and Social Attitudes of Wilhelm Busch Edmund Paul Kurz, 1949 *German Culture in the Libraries of Melbourne* Susan Radvansky, Leslie Bodi, 1967 *Kleines Wilhelm Busch Album* Wilhelm Busch, 1925 The German Mind of the Nineteenth Century Hermann Glaser, 1981 Collection of excerpts from the literature philosophy letters diaries and political and scientific writings of 19th century Germany **Wilhelm Busch** Walter Pape, 2017-02-18 The Best Continental Short Stories of ... and the Yearbook of the Continental Short Story Richard Eaton, 1925 **Herr und Frau Knopp, von Wilhelm Busch** Wilhelm Busch, 1922 **His Master's Voice/Die Stimme Seines Herrn** Alan Kelly, Gramophone Company, EMI Music Archive, 1994-05-30 The present volume is one of a series which will cover the output of the Gramophone Company from its beginning in 1898 to 1929 when recording methods had progressed from the primitive trumpet to the sophisticated microphone The Company operated through ten branches and the catalogues of two of these Italy and France have already been published by Greenwood This new volume adds Germany to the list but the coverage extends to Austria Switzerland and Czechoslovakia and to any other country including the United States where there was interest in records whose source or language was German The principal intention of this volume is to produce a complete listing of material within this field and not merely a selection e.g. operatic records only Thus it lists not only the important recordings from Wagner operas but those from other composers together with all the songs popular and serious recorded by the most important record company of the age Also included are all the instrumental records of the time by pianists violinists cellists and harmonica players as well as military music played by celebrated regimental bands Included with this is a

remarkable amount of material where the executant was also the composer an area of unusual interest In previous years most records from this time period were unavailable and there was virtually no chance of ever hearing them particularly where copies were so rare as to exist in only one collection The introduction of the long playing record changed the situation and the invention of the compact disc has improved availability to an extent undreamed of even a few years ago This volume is intended to provide collectors and archivists with a comprehensive and reliable guide to the contents of their collections
