CHUCK BLACK

Kingdoms Edge Kingdom Series

Sa'adat Hasan Manṭo

Kingdoms Edge Kingdom Series:

Kingdom's Edge Chuck Black, 2009-01-16 A Riveting Medieval Parallel to the Bible Good and evil clash Leinad and Cedric are determined to not only survive but claim hope and victory In Kingdom s Dawn Leinad and Tess along with all the king s people must escape slavery by the powerful Lord Fairos Kingdom s Hope finds them free and arriving in the Chessington Valley But when they forget the king will Kergon and the Kessons capture them for good After many years Kingdom s Edge finds Cedric living a hopeless life until a stranger appears with powerful words of a new kingdom and a grand army Finally Kingdom s Reign marches you through the danger of earth s last days as the evil dark knight threatens to defeat the prince once and for all Swords knights and battles define these captivating tales that parallel biblical events from Genesis to Revelation He was doomed to a life of hopelessness and despair Then the stranger arrived For Cedric of Chessington every day is the same full of poverty and despair And he knows that will never change Or so he thinks Then a stranger comes to the city Drawn to the man s mysterious ways Cedric discovers the stranger s humility belies great strength and wisdom That s when an astounding truth becomes clear the stranger is a Master of the Sword and He is there to train Cedric Suddenly propelled into a desperate battle against evil Cedric must rely on the Master s training if he is going to survive But the ultimate battle is yet to come for the Dark Knight is at work implementing his plan to take over the kingdom Will Cedric be ready to stand in the face of pure evil Journey to Arrethtrae where the King and His Son implement a bold plan to save their kingdom where courage faith and loyalty stand tall in the face of opposition where good will not bow to evil and where hope and compassion are as powerful weapons as the sword DISCUSSION QUESTIONS INCLUDED Story Behind the Book When my six kids eyes glossed over during a reading from the Bible I paused to explain the significance of redemption to a sin sick soul I was rewarded with patronizing elephant nods and more blank stares Shortly thereafter I awoke in the middle of the night with a medieval story enveloping my mind I wrote it down and later read it to my children Their waning attention transformed into complete anticipation I was amazed and disappointed Why did it take a fictional story not a Bible passage to get that response Then I realized that is how Jesus taught Parables are powerful I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind Chuck Black [At Kingdom's Edge](#) Jacob Selwood, 2022-07-15 At Kingdom s Edge investigates how life in a conquered colony both revealed and shaped what it meant to be English outside of the British Isles Considering the case of Jeronimy Clifford who rose to become one of Suriname s richest planters Jacob Selwood examines the mutual influence of race and subjecthood in the early modern world Clifford was a child in Suriname when the Dutch in 1667 wrested the South American colony from England soon after England seized control of New Netherland in North America Across the arc of his life from time in the tenuous English colony to prosperity as a slaveholding planter to a stint in debtors prison in London Clifford used all the tools at his disposal to elevate and secure his status His English subjecthood which he clung to as a wealthy planter in Dutch controlled Suriname

was a ready means to exert political legal economic and cultural authority Clifford deployed it without hesitation even when it failed to serve his interests In 1695 Clifford left Suriname and until his death he tried to regain control over his abandoned plantation and its enslaved workers His evocation of international treaties at times secured the support of the Crown The English and Dutch governments responses reveal competing definitions of belonging between and across empires as well as the differing imperial political cultures with which claimants to rights and privileges had to contend Clifford s case highlights the unresolved tensions about the meanings of colonial subjecthood Anglo Dutch relations and the legacy of England s seventeenth century empire
