Gun digest Ken Warner,1975 **American Gunfight** Stephen Hunter,John Bainbridge,2005-11-02 A fast paced definitive and breathtakingly suspenseful account of an extraordinary historical event the attempted assassination of President Harry Truman in 1950 by two Puerto Rican Nationalists and the bloody shoot out in the streets of Washington DC that saved the president s life Written by Pulitzer Prize winner and New York Times bestselling novelist Stephen Hunter and John Bainbridge Jr an experienced journalist and lawyer American Gunfight is at once a groundbreaking work of meticulous historical research and the vivid and dramatically told story of an act of terrorism that almost succeeded They have pieced together at last the story of the conspiracy that nearly doomed the president and how a few good men ordinary guys who were willing to risk their lives in the line of duty stopped it It begins on November 1 1950 an unseasonably hot afternoon in the sleepy capital At 2 00 P M in his temporary residence at Blair House the president of the United States takes a nap At 2 20 P M two men approach Blair House from different directions Oscar Collazo a respected metal polisher and family man and Griselio Torresola an unemployed salesman don t look dangerous not in their new suits and hats not in their calm purposeful demeanor not in their slow unexcited approach What the three White House policemen and one Secret Service agent cannot guess is that under each man s coat is a 9mm automatic pistol and in each head a dream of assassin s glory At point blank range Collazo and then Torresola draw and fire and move toward the president of the United States Hunter and Bainbridge tell the story of that November day with narrative power and careful attention to detail They are the first to report on the inner workings of this conspiracy they examine the forces that led the perpetrators to conceive the plot The authors also tell the story of the men themselves from their youth and the worlds in which they grew up to the women they loved and who loved them to the moment the gunfire erupted Their telling commemorates heroism the quiet commitment to duty that in some moments of crisis sees some people through an ordeal even at the expense of their lives Future Weapons Kevin Dockery,2007-12-04 On the battlefield a soldier s best friends are his gun and his gear because his life depends on them But what will it take to fight and survive on the battlefields of tomorrow What will those combat arenas consist of and where will they be And what will our nation s fighting men and women carry with them into battle Future Weapons is a compendium of the weapons of war that may accompany our soldiers in the near and far future as well as an insightful look at the soldier sailor and airman of today and tomorrow All manner of military hardware is covered as well as information about cutting edge technology that will become standard in weapons to come the possibility of robotic soldiers vehicles protective armor and the prospects of fighting a war in both space and cyberspace *Alvin York* Douglas V. Mastriano,2014-02-20 Alvin C York 1887 1964 devout Christian conscientious objector and reluctant hero of World War I is one of America s most famous and celebrated soldiers Known to generations through Gary Cooper s Academy Award winning portrayal in the 1941 film Sergeant York York is credited with the capture of 132 German soldiers on October 8 1918 in the Meuse Argonne region of

France a deed for which he was awarded the Congressional Medal of Honor At war s end the media glorified York s bravery but some members of the German military and a soldier from his own unit cast aspersions on his wartime heroics Historians continue to debate whether York has received more recognition than he deserves A fierce disagreement about the location of the battle in the Argonne forest has further complicated the soldier s legacy In Alvin York Douglas V Mastriano sorts fact from myth in the first full length biography of York in decades He meticulously examines York s youth in the hills of east Tennessee his service in the Great War and his return to a quiet civilian life dedicated to charity By reviewing artifacts recovered from the battlefield using military terrain analysis forensic study and research in both German and American archives Mastriano reconstructs the events of October 8 and corroborates the recorded accounts On the eve of the WWI centennial Alvin York promises to be a major contribution to twentieth century military history **Thunder in the Argonne** Douglas V. Mastriano,2018-06-15 In July 1918 sensing that the German Army had lost crucial momentum Supreme Allied Commander Ferdinand Foch saw an opportunity to end the First World War In drafting his plans for a final grand offensive he assigned the most difficult sector the dense Argonne forest and the vast Meuse River valley to the American Expeditionary Forces under General John J Pershing There the Doughboys faced thickly defended German lines with terrain deemed impossible to fight through From September 26 through the November 11 armistice US forces suffered more than 20 000 casualties a week but the Allies ultimately prevailed in a decisive victory that helped to end the Great War In Thunder in the Argonne Douglas V Mastriano offers the most comprehensive account of this legendary campaign to date Not only does he provide American French and British perspectives on the offensive but he also offers for the first time in English the German view Mastriano presents a balanced analysis of successes and failures at all levels of command examining the leadership of the principals while also illuminating acts of heroism by individual soldiers The Meuse Argonne Offensive is widely regarded as one of America s finest hours and the amazing feats of Sergeant Alvin York Major Charles Whittlesey of the Lost Battalion and Lieutenant Sam Woodfill all accomplished in the midst of this maelstrom echo across the ages Published to coincide with the centennial of the campaign this engaging book offers a fresh look at the battle that forged the modern US Army **CRM** ,1996 [Bibliographic Guide to Technology](#) New York Public Library. Research Libraries,1989 **Icons of the American West** Gordon Morris Bakken,2008-06-30 The American West is rich in lore cultural roots and iconic images The subject of countless movies books and songs in many ways it embodies the American spirit This lively two volume set presents the stories of some of the most influential and representative Western icons those that have captured the nation s imagination since the early days of westward exploration and that continue to do so within the environmental and technological frontier that is the modern West This accessible treatment of the untamed enterprise of the Old West including cowboys wild west shows and gun battles and the continued entrepreneurial imagination of the paradisaical New West including environmentalists and the incorporation of national parks elevates the reader s understanding of oft romanticized subjects and

the conflicts and cultural changes that made them icons Narrative entries include Chief Joseph George Armstrong Custer Gold Rush Winchester Model 1873 Frederic Remington John Muir Las Vegas Bill Gates Disneyland Yellowstone National Park Sierra Club With vibrant photos and descriptive sidebars this comprehensive set is a must have for students of American history and culture *The Redwood Stumper 2001-2009* Paul Feist, [The Colt Single Action Revolvers](#) Jerry Kuhnhausen,2001 **Cumulative Book Index** ,1998 A world list of books in the English language **The Colt .45 Automatic** Jerry Kuhnhausen,1986 **The S & W Revolvers** Jerry Kuhnhausen,2014 **The S & W Revolver** Jerry Kuhnhausen,1990 [The Colt Double Action Revolvers](#) Jerry Kuhnhausen,1988 **The U.S. .30 Caliber Gas Operated Service Rifles** Jerry Kuhnhausen,1995 **The Ruger Single Action Revolvers** Jerry Kuhnhausen,2003 **The U. S. .30 Caliber Gas Operated Carbines** Jerry Kuhnhausen,1999 *American Guardian* ,1999 *The U.S. M1911/M1911A1 Pistols & Commercial M1911 Pistols* Jerry Kuhnhausen,1997
