 Step-by-Step Tutorial Videos

How to Ace the Medical College Admission Test (MCAT), using our easy step-by-step MCAT study guide, without weeks and months of endless studying...

Dear friend,

On a beautiful late spring afternoon, this past year, a young man received the devastating news. He had just gotten back his result on the MCAT test. It was not what he had hoped for. In fact, it was not even close to the expectations he had considering his past experience and educational background.

Then he remembered his friends and felt even worse. He did not look forward to having to tell them the embarrassing news, especially after he had boasted that it was no big deal. He had been procrastinating about taking the exam because he hated standardized tests, and this only confirmed his hatred.

"What will I do now?" he thought with dismay, slowly realizing the harsh reality of his predicament and its upsetting implications on his future.
