Raum & Zeichen Ernest W. B. Hess-Lüttich, Jürgen E. Müller, A. J. A. van Zoest, 1998 **A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942**, 1942 *Books on the Great War; an Annotated Bibliography of Literature Issued During the European Conflict* Frederick William Theodor Lange, 1916 **Books on the Great War** Frederick William Theodor Lange, 1915 Landscape Ecology in the Dutch Context T.M. de Jong, J.N.M. Dekker, R. Posthoorn, 2017-04-03 This book is the result of three symposia of the Dutch Society for Landscape Ecology Werkgemeenschap voor Landschapsecologisch Onderzoek about the Dutch National Ecological Network urban ecology and civil infrastructure The three topics among others show important contexts in which landscape ecologists do their research and apply their knowledge and skills The book focuses on urbanisation intensive land use and water management as characteristic features of the Netherlands and therefore presents an important view on landscape ecology in the Dutch context The Biographical Turn Hans Renders, Binne de Haan, Jonne Harmsma, 2016-09-13 The Biographical Turn showcases the latest research through which the field of biography is being explored Fifteen leading scholars in the field present the biographical perspective as a scholarly research methodology investigating the consequences of this bottom up approach and illuminating its value for different disciplines While biography has been on the rise in academia since the 1980s this volume highlights the theoretical implications of the biographical turn that is changing the humanities Chapters cover subjects such as gender religion race new media and microhistory presenting biography as as a research methodology suited not only for historians but also for explorations in areas including literature studies sociology economics and politics By emphasizing agency the use of primary sources and the critical analysis of context and historiography this book demonstrates how biography can function as a scholarly methodology for a wide range of topics and fields of research International in scope The Biographical Turn emphasizes that the individual can have a lasting impact on the past and that lives that are now forgotten can be as important for the historical narrative as the biographies of kings and presidents It is a valuable resource for all students of biography history and historical theory **Biographies of Remedies**, 2016-08-29 At a time when genetics and informatics are seen to transform therapeutic thinking once again it is pertinent to look back to earlier therapeutic regimes The long twentieth century has witnessed a tremendous upsurge in new drugs remedies and therapeutic strategies The cultural environments in which they emerged the social circumstances from which they sprang and the social effects that remedies engendered are treated in depth in this collection of essays They address the historical variety of remedies as economic social and cultural objects and discuss their particular forms of production and distribution Drawing predominantly on British and Dutch cases the curious biographies of modern drugs like streptomycin taxol and interferon are reviewed the shifting boundaries between medicines and toxic substances are explored and remedial strategies such as contraceptives are scrutinised This book which emerged out of an Anglo Dutch conference held in 1998 explores cultures of

remedies from a comparative perspective **Dutch Jews as Perceived by Themselves and by Others** Chaya Brasz,Yosef Kaplan,2021-11-22 How did Jews in the Netherlands view themselves and how were they viewed by others This is the single theme around which the twenty five essays in this volume written by scholars from the Netherlands Israel and other countries revolve The studies encompass a variety of topics and periods from the beginning of the Jewish settlement in the Dutch Republic through the Shoah and its aftermath They include examinations of the Sephardi Jews in the seventeenth and eighteenth centuries the Jews in the periods of Emancipation and Enlightenment social and cultural encounters between Jews and non Jews throughout the ages the image of the Jew in Dutch literature in the nineteenth and twentieth centuries and the churches attitudes toward Jews Also highlighted are the second World War and its consequences Dutch Jews in Israel and Israelis in the contemporary Netherlands **The Jews are Coming Back** David Bankier,2005 In 14 papers delivered at or sent to a May 2001 conference in Jerusalem historians specializing in Jews in various European countries examine the views about the return or prospective return of the Jews to their countries of origin after World War II Among the countries are France the Netherlands Italy Poland and Hungary Places and names are *Key Terms of Public History* Christine Gundermann,Juliane Brauer,Filippo Carlà-Uhink,Judith Keilbach,Georg Koch,Thorsten Logge,Daniel Morat,Arnika Peselmann,Stefanie Samida,Astrid Schwabe,Miriam S  n  cheau,2025-01-27 This volume introduces key terms of public history and makes them accessible via the most important subject areas and central research perspectives It is aimed at students teachers and practitioners who deal with history in the public sphere and offers approaches to the theoretical foundation of public history as part of historical cultural studies **Neutrality as a Policy Choice for Small/Weak Democracies** Michael F. Palo,2019-07-08 In *Neutrality as a Policy Choice for Small Weak Democracies Learning from the Belgian Experience* Michael F Palo has three main objectives First he employs a counterfactual approach to examine the hypothesis that had permanent neutrality not been imposed on Belgium in 1839 it would have pursued neutrality anyway until war broke out in 1914 Secondly he analyses why after abandoning obligatory neutrality during World War I the Belgians adopted voluntary neutrality in October 1936 Finally he seeks to use the historical Belgian case study to test specific International Relations Theories and to contribute to Small State Studies especially the behaviour of small weak democracies in the international system **As political soldiers we face Moscow's hordes: Dutch volunteers in the Waffen-SS** Evertjan van Roekel,2022-01-04 During the Second World War approximately 25 000 Dutchmen served within the ranks of the military branch of the German SS the Waffen SS They volunteered to fight to secure the victory of Nazi Germany These Dutch volunteers fought mainly on the Eastern Front and to a lesser extent within their own national borders After the war the Allied victors regarded them as part of a criminal organization and jointly responsible for the atrocious transgressions of the Nazi regime In the Netherlands these men were reviled branded as traitors and became pariahs in their own country Those who had devoted themselves to the Nazi regime caused so much grief to the Netherlands that they had to be held

accountable Despite their military achievements their reputation was damaged forever The Netherlands supplied the largest contingent of SS soldiers from the occupied North western European territories Who were these people What led them to enlist and what were the consequences of their choice An important part of this study involves the autobiographical texts of nineteen Dutch volunteers in the Waffen SS These ego documents recount their own immediate experiences and are mainly fragments from diaries but there are also letters individual notes and memoirs The ego documents are placed within the larger historical context to provide an answer to the question of whether these men were only ideologically motivated and unconditional Nazi sympathizers and for this their criminal records are also researched Among other topics the book discusses their choice to enlist their experiences at the front and their involvement in genocide providing a new perspective on the Eastern Front *Probing the Limits of Categorization* Christina Morina,Krijn Thijs,2018-11-29 Of the three categories that Raul Hilberg developed in his analysis of the Holocaust perpetrators victims and bystanders it is the last that is the broadest and most difficult to pinpoint Described by Hilberg as those who were once a part of this history bystanders present unique challenges for those seeking to understand the decisions attitudes and self understanding of historical actors who were neither obviously the instigators nor the targets of Nazi crimes Combining historiographical conceptual and empirical perspectives on the bystander the case studies in this book provide powerful insights into the complex social processes that accompany state sponsored genocidal violence *Reframing Dutch Culture* Herman Roodenburg,2016-04-08 Dutch society has undergone radical changes in recent years due to complex political social and ethnic developments Reframing Dutch Culture examines issues of nationality ethnicity culture and identity in The Netherlands from an ethnological perspective linking past traditions and notions of identity with more recent transformations Weaving in a range of fascinating case studies contributors provide an interdisciplinary analysis of these changes The developments are related to wider European and global transformation processes highlighting the contribution of Dutch ethnology to the international debate This timely collection provides a fascinating and insightful window on modern Dutch society *The Numismatist* ,1914 **International Co-operative Bulletin** ,1917 **Jewish Workers and the Labour Movement** Karin Hofmeester,2017-05-15 During the late nineteenth century many Jewish workers and intellectuals considered their integration into the general labour movement as a good way to counter the double disadvantage they suffered in society as Jews and workers Whilst in Amsterdam this process encountered few obstacles it was more problematical in London and Paris Through a detailed examination of the collaborative efforts of Jewish labour in these three cities Jewish Workers and the Labour Movement reveals the multi layered and unique position of Jewish workers in the labour market It shows how various factors such as economic change political upheaval state intervention and anti Semitism all affected the pace of integration and draws conclusions that highlight the similarities as well as the differences between the efforts of Jewish workers to improve their lot in France Britain and Holland **2014** Günter Berghaus,2014-05-21 The International

Yearbook of Futurism Studies was founded in 2009 the centenary year of Italian Futurism in order to foster intellectual cooperation between Futurism scholars across countries and academic disciplines The Yearbook does not focus exclusively on Italian Futurism but on the relations between Italian Futurism and other Futurisms worldwide on artistic movements inspired by Futurism and on artists operating in the international sphere with close contacts to Italian or Russian Futurism Volume 4 2014 is an open issue that addresses reactions to Italian Futurism in 16 countries Argentina Armenia Brazil Egypt France Germany Great Britain Greece Holland Hungary Japan Portugal Russia Slovenia Spain USA and in the artistic media of photography theatre and visual poetry *The Cambridge History of the First World War: Volume 3, Civil Society* Jay Winter, 2014-01-09 Volume 3 of The Cambridge History of the First World War explores the social and cultural history of the war and considers the role of civil society throughout the conflict that is to say those institutions and practices outside the state through which the war effort was waged Drawing on 25 years of historical scholarship it sheds new light on culturally significant issues such as how families and medical authorities adapted to the challenges of war and the shift that occurred in gender roles and behaviour that would subsequently reshape society Adopting a transnational approach this volume surveys the war's treatment of populations at risk including refugees minorities and internees to show the full extent of the disaster of war and with it the stubborn survival of irrational kindness and the generosity of spirit that persisted amidst the bitterness at the heart of warfare with all its contradictions and enduring legacies [Review of International Co-operation](#) ,1918
