practices *Referencing for Genealogists* Ian G. Macdonald, 2018-05-28 Reliable genealogical conclusions depend on reliable data Central to any good investigation is an appreciation of where the data came from so that other investigators can re examine it and re establish the conclusions reached Genealogy is little more than anecdote when the sources for facts are not cited and where clear references to sources are not given Referencing for Genealogists will enable others to follow in your footsteps because it gives you the means to write clear unambiguous references that provide solid support to the evidence you offer towards your conclusions It is packed with examples that the reader can learn from and that also provide a treasure trove of sources invaluable to any genealogist
