polymath Ren Girard to bring this hidden force to light and reveals how it shapes our lives and societies According to Girard humans don't desire anything independently Human desire is mimetic we imitate what other people want This affects the way we choose partners friends careers clothes and vacation destinations Mimetic desire is responsible for the formation of our very identities It explains the enduring relevancy of Shakespeare's plays why Peter Thiel decided to be the first investor in Facebook and why our world is growing more divided as it becomes more connected Wanting also shows that conflict does not arise because of our differences it comes from our sameness Because we learn to want what other people want we often end up competing for the same things Ignoring our large similarities we cling to our perceived differences Drawing on his experience as an entrepreneur teacher and student of classical philosophy and theology Burgis shares tactics that help turn blind wanting into intentional wanting not by trying to rid ourselves of desire but by desiring differently It's possible to be more in control of the things we want to achieve more independence from trends and bubbles and to find more meaning in our work and lives The future will be shaped by our desires Wanting shows us how to desire a better one *Kiplinger's Personal Finance*, 2005-08 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Lemon-Aid Used Cars and Trucks** **2010-2011** Phil Edmonston, 2010-05-11 The automotive maven and former Member of Parliament might be the most trusted man in Canada an inverse relationship to the people he writes about The Globe and Mail Lemon Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production This brand new edition of the bestselling guide contains updated information on secret service bulletins that can save you money Phil describes sales and service scams lists which vehicles are factory goofs and sets out the prices you should pay As Canada's automotive Dr Phil for over 40 years Edmonston pulls no punches His Lemon Aid is more potent and provocative than ever *Kiplinger's Personal Finance*, 2004-11 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Lemon-Aid Used Cars and Trucks** **2011-2012** Phil Edmonston, 2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry Lemon Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years Lemon Aid guides are unlike any other car and truck books on the market Phil Edmonston Canada's automotive Dr Phil for 40 years pulls no punches Like five books in one Lemon Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies a do it yourself service manual an independent guide that covers beaters lemons and collectibles an archive of secret service bulletins granting free repairs and a legal primer that even lawyers can't beat Phil delivers the goods on free fixes for Chrysler Ford and GM engine transmission brake and paint defects lets you know about Corvette and Mustang tops that fly off gives the lowdown on Honda Hyundai and Toyota engines and transmissions and provides the latest information on computer module glitches **The Car Book 2006** Jack Gillis, Amy Curran, David
